Church Connection Cards:

Church Connection Cards Yvon Prehn, 2011-09-21 People visit our churches every week and for special events but if they don't tell us they are there we can't connect with them. Our people come to church every week but if we don't know their needs we can't help them. Church Connection Cards can do all this and so much more. This book gives you detailed ideas, advice, samples, and a ministry plan to make connections, grow your church, and serve your people using this seemingly small but very powerful ministry tool. The book provides detailed instructions on how to make sure you get the largest number of people to fill out the cards, specific ways to manage your follow-up to most effectively serve the people who filled them out, lists of what you need to have in place for follow-up, and how to triage, divide into levels of ministry need, the cards so you can respond to people in a timely manner. Connection cards are an invaluable tool if you want to connect with visitors, grow your church, and pastor your people. *Church Connection Cards, connect with visitors, grow your church, pastor your people*

Helping the Small Church Win Guests Desmond Barrett, 2024-04-25 The heart behind any revitalization effort is to see the church reach the community and new people with the gospel. It should not be about membership, tithing, or even more people in the pews. Those will come if the church is willing to prepare for guests for the greater good of the community. There is no silver bullet in winning and keeping new guests, but may you find strategies in this resource that will make you think about what more you could do to prepare, retain, and invite guests into the local church. *The Attractional Church* Billy

Hornsby,2011-02-16 Every church leader and church member want their church to grow The promise of The Attration Church is that if a church experience is positive the lost absent and unfilled will come and complacent people in the pew will have their faith renewed Author Billy Hornsby says that what keeps most churches from growing are the methods they choose for their outreach efforts The local church must ensure visitors and members alike a good and lasting impression of their experience in church especially the worship service You must get the first impression right Hornsby insists From the website Facebook page Twitter accounts leadership blogs and parking lot to the worship facility and worship service the total church experience must speak to people s emotions and be relational and relevant The Attration Church is both motivational and practical with guidance on how to accomplish this transformation and also presents case studies of some of the fastest growing and most innovative churches in America Here is a fresh vision for what the church can be Getting it Right General Conference of Seventh-Day Adventists, Youth Dept Staff,General Conference of Seventh-Day Adventists.
