Corrections: The Essentials Mary K. Stohr,Anthony Walsh,2011-10-20 Corrections The Essentials is a comprehensive yet

compact version of the typical corrections text The text addresses the most important topics in corrections in a shorter format while allowing for more accessibility through cost It includes the usual topics typically found in corrections textbooks from the history and development of correctional institutions to the future of corrections The book is designed for introductory lower and upper division corrections classes or as a supplement to other corrections classes at the undergraduate or graduate level

Criminology Anthony Walsh, Lee Ellis, 2006-12-14 I find that Walsh's text is a great value for the price in that it encompasses a number of criminal justice topics a strong theoretical discussion and dedicates chapters to the integrated approach of criminology It also features an interdisciplinary approach that integrates rather than separates the theories and a comprehensive student study site that challenges the student to move beyond the classroom and textbook Erin Conley Monroe Harold Washington College I was impressed after reviewing the table of contents that Walsh included separate Chapters on Terrorism and Drugs I felt that Walsh's writing is very sophisticated and better organized with regards to Chapters than the competition I really liked how the interdisciplinary approach is explained and the organization choice of theories covered It addresses Criminology more at the interdisciplinary approach and explains why that is important I also find Sage's student study site at www.sagepub.com/criminologystudy to be thorough and easy to navigate Walsh is a much better value for the price Cathryn Lavery Iona College This unique text offers an interdisciplinary perspective on crime and criminality by integrating the latest theories concepts and research from sociology psychology and biology Offering a more complete look at the world of criminology than any other existing text authors Anthony Walsh and Lee Ellis first present criminological theory and concepts in their traditional form and then show how integrating theory and concepts from the more basic sciences can complement expand strengthen and add coherence to them

Key Features Offers students the opportunity to learn from the cutting edges of criminology This innovative interdisciplinary approach introduces students to the future of criminology by offering new and exciting insights The book also includes strong sections on crime policy and prevention that illustrate the practical benefits of understanding theory and how theories guide policy makers seeking to prevent and control crime Focuses on topics fascinating to students Chapters on typologies such as violent crime serial killers terrorism drug and alcohol addiction psychopaths organized crime and white collar crime engage students while showing how the theories presented earlier can be applied Presents material in a student friendly style Written in an accessible format the book features many pedagogical tools such as chapter opening vignettes Focus On boxes summary tables of all theories a unique photo program discussion questions Web driven exercises and key terms Accompanied by High Quality Ancillaries Offers audio links to public radio shows from the NPR and PBS radio archives including This American Life All Things Considered Talk of the Nation Justice Talking The Online Newshour and Marketplace Provides free online video links from the Frontline PBS which are broken up into segments so they can be shown in lecture varying in length from less than 3 minutes to hour long or more Includes interactive quizzes e flashcards and practice quizzes 35 journal articles

per chapter and much more
Intended Audience This core textbook is designed for undergraduate students studying Introductory Criminology in departments of sociology and of criminal justice For only 2 50 more than the textbook alone you can adopt Criminology by Walsh and The Concise Dictionary of Crime and Justice by Davis BUNDLE Just use ISBN 9781412958950 A handy reference for students professionals and anyone interested in criminal justice and criminology The Concise Dictionary of Crime and Justice is an excellent wide ranging resource with clear definitions for over 2 000 key criminal justice terms Often going beyond simple definitions the dictionary presents and explains common misperceptions for selected entries
Corrections: A Text/Reader Mary K. Stohr,Anthony Walsh,Craig Hemmens,2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research
Criminological Theory Stephen G. Tibbetts,2011-04-06 Criminological Theory The Essentials sheds light on some of history s most renowned criminologists and their theories In addition policy implications brought about by theoretical perspectives that have developed from recent critical work together with practical applications compel the reader to apply theories to the contemporary social milieu
