De Wereldoorlog Deel 1 En 2:

The Allied Defense of the Malay Barrier, 1941-1942 Tom Womack, 2015-12-01 Though few realize it the Netherlands East Indies were the object of Japan's attack on Pearl Harbor in December 1941 Likewise their invasions of Guam Wake Island and the Philippines were mainly diversionary operations to safeguard their main assault on Dutch and British colonies Since the end of World War I Japan had coveted the vast East Indies oil reserves and the colony had feared invasion since Germany overran Holland in May 1940 Isolated politically the weakly defended archipelago was a tempting prize The East Indies government initially maintained a strict policy of neutrality while desperately working to build up its military strength As Japanese actions pushed the region toward war the Dutch reluctantly embraced closer ties with America and Britain For a brief period the East Indies were key players in Pacific War strategy This book details for the first time in English the Dutch prewar strategy their efforts to counter Japanese espionage and their sizable though largely forgotten military contribution in the early months of the Pacific War

De MATRIX van het systeem deel1 John Baselmans, 2014-05-27 Via deze 2 boeken wil ik jou zoveel mogelijk de totale blauwdruk laten zien waar ik jaren aan gewerkt heb Het is mijn bibliotheek en een verzamelwerk daar vanuit werk ik en de vele documenten die ik nu gebruik als bewijs Dit boek is een verzameling van aanhalingen komende vanuit vele boeken tijdschriften kranten internet stukken en rapporten van andere mensen Ik zie dit boek dan ook als een studieboek naslagwerk voor diegenen die geïnteresseerd zijn Het is voor mij belangrijk dat er eindelijk eens een compleet boek is waar alles op een rijtje staat wat eeuwenlang ons verzwegen is Wat je met de informatie doet en hoeverre je er waarde aan hecht om deze zaken te weten is aan jou Ik heb simpel de stukken hier geplaatst die in mijn ogen het dichtst bij de waarheid kwamen en als een puzzel in elkaar zijn gevallen Het verleden heeft grote geheimen die in het heden nog zorgvuldig worden verzwegen Toch zien we door vele citaten en artikelen op een rijtje te zetten dat er een duidelijke boodschap is

The Dutch Naval Air Force Against Japan Tom Womack, 2023-09-28 Following the Japanese attack on Pearl Harbor the Dutch Naval Air Force or Marine Luchtvaart Dienst MLD played a significant but largely overlooked role in the opening months of the Pacific War With 175 aircraft the MLD greatly outnumbered the combined forces of its American and British allies In three months of intense combat the MLD lost 50 percent of its personnel and 80 percent of its aircraft as the Netherlands colonial empire was stripped away This book details MLD operations during the Japanese invasion of Dutch East Indies giving a comprehensive overview of organization personnel aircraft equipment and tactics For the first time in English the failed evacuation of Java is examined

Philip Staal, 2015 It was 1942 in Amsterdam when Isaac and Anna Staal began noticing their Jewish neighbors disappearing Some were taken away by Dutch police Some vanished in the middle of the night As the Nazis embarked on a manhunt for Dutch Jews Isaac and Anna made the agonizing decision to entrust their children to strangers and seek another hiding place for themselves On May 21 1943 the time had come Dazed with sleep Philip and his brother were given a last hug by their parents and put in the arms of an aunt who went out the door softly got on her bicycle with the two tiny tots and disappeared in the silent night Sixty years later Philip was commissioned to work for the restoration of rights in the Netherlands When looking through archives and records he discovered the well kept secret of the war orphans guardians organization In his compelling story that weaves between past and present Staal not only shares a heartbreaking narrative of his childhood as a toddler separated from his parents during World War II and forced to live in orphanages after years of hiding but also how he eventually made it his personal mission to reimburse assets and restore rights lost by Dutch victims of persecution and search for the legacies of war orphans parents including his own *Settling the Account* shares poignant personal narrative historical facts and one man's determined pursuit to bring justice to Dutch Jewish war orphans and their murdered parents and resolve the mystery of his past *Author Representations in Literary Reading* Eefje Claassen, 2012 Author
Representations in Literary Reading investigates the role of the author in the mind of the reader It is the first book length empirical study on generated author inferences by readers of literature It bridges the gap between theories which hold that the author is irrelevant and those that give him prominence By combining insights and methods from both cognitive psychology and literary theory this book contributes to a better understanding of how readers process literary texts and what role their assumptions about an author play A series of experiments demonstrate that readers generate author inferences during the process of reading which they use to create an image of the text's author The findings suggest that interpretations about the author play a pivotal role in the literary reading process This book is relevant to scholars and students in all areas of the cognitive sciences including literary studies and psychology
