Deacons Servant Models In The Church:

Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200 000 copies sold Broadman Holman is publishing an updated edition of *Deacons Servant Models in the Church* Henry Webb deals with every aspect of the roles and offices of deacons in the church including the deacon's marriage wife children family life conduct priorities and other pertinent aspects of deacons as role models of servant leadership in the church **Deacons** Henry Webb, 1980 **Deacons** Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping churches to flourish *Women Deacons and Deaconesses* Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to relearn and reapply the lessons of scripture and history so that the church can be fully effective in ministry *The Seven Taking a Closer Look at What It Means to Be a Deacon* is a comprehensive guide to reforming and recharging your church's deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may

be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation

Discovering and Developing Your Deacons Russell R. Cook, 2015-09-02 Whether you are in a new church or a more established one if you have a congregation you have a growing need for more servants You need others to help you Yet you may not know where to start or how to proceed with identifying enlisting equipping and engaging servant leaders for your church In *Discovering and Developing Your Deacons* you will find the help you need If you are wondering whether or not you even need the ministry of Deacons or if youd like to know more about the process of discovering the right way to find them this book is for you You may have questions about the characteristics of men who can serve and how you can identify those qualities This book answers clearly and concisely ten of the most often asked questions related to starting or restarting an effective Deacon ministry It is not Gods intention that a Pastor and one or two other leaders perform all needed ministry This is akin to what God intended for the Apostles in Acts 6 when they had become overwhelmed with the ministry needs of a multiplying church This book details how to find the kind of men described in Acts 6 not only find them but identify them by their reputation character qualities and servant hearts This is a process that can be undertaken by any church that sees the need and has a desire to follow clear scripturally based guidelines **Parakaleo** Tom Stringfellow, 1998 [The Perceived](#)

[Leadership Crisis Within the Baptist Church](#) Brodie I. Johnson, 2007-09-07 The purpose of this study was to investigate church congregants ratings of church deacons leadership skills utilizing the MLQ instrument and compare those ratings among 4 selected churches in Memphis Tennessee Because the church has experienced a rapid rate of growth in its membership and has been focused on dealing with those congregation wide growing pains it has neglected to provide the support to the deacons which is necessary for their development The problem related to rapid growth has resulted in empirical and anecdotal statements by various congregants that church leadership is lacking particularly in regard to crisis management In order to investigate whether these perceptions of the church leadership issues are valid 50 congregants from 4 selected churches were asked to complete the MLQ survey in order to assess deacon leadership skills The results of this study results indicated that church congregants from all 4 selected churches had generally low average ratings of transformational leadership related questions and subscales as applied to church deacons **The Collected Writings of**
