

Deacons And The Church

Ormonde Plater

Deacons And The Church:

Deacons and the Church Owen F. Cummings, 2004 **Deacons and the Church** John N. Collins, 2003-01-01 Explores the pastoral implications of a new scholarly understanding of the role of deacons in the Early Church In many churches today Catholic Anglican and others deacons have come to serve largely as servants of the poor and needy In *Deacons and the Church* Collins argues that this limited role for deacons was based on misinterpretations of key scriptural passages Following the history of deacons in the Early Church to modern times Collins offers extensive reflections on the relevant Scriptures and suggests that we redefine the role of deacons for today Rather than limit the role of deacons he urges the church to adapt ancient meanings to modern pastoral situations In the words of Ignatius of Antioch whom he quotes in the final chapter Deacons are not providers of bread and drink but are agents of the congregation Collins paints a rich picture of deacons as agents of the church ordained to the service of the bishop who sends them forth as ministers of the church as a whole rather than simply social workers Collins provides an understanding of deacons that embraces social welfare but is not bound by it

Being a Deacon Today Rosalind Brown, 2005-10-01 A theological explanation and practical handbook for those preparing for a diaconate in today's church All too often the time spent as a deacon is seen simply as the prelude to priestly ordination Yet the Bible defines three orders of ministry deacon priest and bishop each with its own distinctive characteristics and responsibilities In *Being A Deacon Today* Brown explores the three places where deacons minister the church the world and at the margins the three strands of their ministry in liturgy in pastoral care and as catechists and the three actions of their ministry praying loving and remembering This book excellent for classroom use and for transitional and permanent deacons will restore a fuller understanding of the diaconal ministry and nurture deacons in their work and spiritual life

Deacons Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping churches to flourish

What Do Deacons Do? Juan R. Sanchez, 2022-03-14 Concise Scripture Centered Guide Addresses Common Questions about Diaconal Service in the Church Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life *Church Questions* is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment In this concise booklet Juan Sanchez explains the essential role deacons play in the life of the church He addresses topics

such as why churches need deacons how deacons carry out their role who is eligible to be a deacon and how diaconal service exemplifies the character of Christ Valuable for church leaders and members alike this resource helps readers understand what the Bible has to say about this important church office and why its ministry is indispensable A Great Resource for Congregations and New Believers Helps readers think more biblically about the Christian life and faithfulness in a local church Accessible and Practical Small shareable booklet includes helpful applications for individuals and churches Part of the Church Questions Series Created in Partnership with 9Marks Many Servants Ormonde Plater,2004-01-25 In this newly updated and revised introduction to the permanent diaconate Plater includes a history of deacons in the early church a survey of deacons from the Reformation to the present stories of modern diaconal ministries including first hand accounts and a discussion of the formation training and deployment of deacons This book is a basic essential text for discernment committees and commissions on ministry and a comprehensive look at a vital ministry in the church today **Inferior Office** Francis Young,2015-04-30 In spite of the centrality of the threefold orders of bishop priest and deacon to Anglicanism deacons have been virtually invisible in the contemporary Church of England Inferior Office is the first complete history of this neglected portion of the clergy tracing the church's changing theology of the diaconate from the Ordinal of 1550 to the present day Francis Young skilfully overturns the widely held belief that before the twentieth century the diaconate was merely a brief and nominal period of probation for priests revealing how it became an integral part of the Elizabethan defence of conformity and exploring the diverse range of ministries assumed by lifelong deacons in the seventeenth and eighteenth centuries Lifelong deacons often belonged to a marginalised lower class of the clergy that has since been forgotten an oversight of considerable importance to the wider social history of the clergy that is corrected in this volume Inferior Office tells the story of persistent calls for the revival of a distinctive diaconate within the Victorian Church of England and situates the institution of deaconesses and later revival of the distinctive diaconate for women as well as subsequent developments within their wider historical context Set against this backdrop Young presents a balanced case both for and against the further development of a distinctive diaconate today offering much to further discussion and debate amongst clergy of the Church of England and all those with an interest in the rich tapestry of its history Women Deacons and Deaconesses Charles W. Deweese,2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons *The Ordained Women Deacons of the Church's First Millennium* John Wijngaards,2012-01-31 A recent theological statement from the Roman Catholic Church has increased

hopes that while women may not be ordained as priests their ordination as deacons may soon become reality This is a new enlarged edition of a groundbreaking book that gathered historical evidence from ancient liturgies literature art and inscriptions on graves to show that the practice of ordaining women as deacons in the first ten centuries of the Church was normative Women carried out sacramental rites alongside priests and had responsibilities for the care of the Christian community Recent research has identified over 120 known female deacons a figure that has tripled since this book's first appearance under the title *No Women in Holy Orders* in 2002 This offers a positive theological and historical contribution to a debate that is fast gaining momentum in the Catholic Church worldwide John Wijngaards is one of the most influential figures in the Roman Catholic church He founded Housetop which promotes the spirituality of John Main and has written many books on prayer and Bible study Formerly Vicar General of the Mill Hill Fathers he leads the movement for the ordination of women in the Catholic Church and runs the website www.womenpriests.org

The Deacon Cornelis Van Dam, 2016-12-23 The office of deacon is God's gift to His church but today it is often undervalued misunderstood and perceived to be of little importance In *The Deacon* the author considers the Old Testament background for this calling the deacon in New Testament times and in church history and the current function of the office You will rediscover the high and privileged calling of deacons and come to a better understanding of what God requires of them
