,2019-02-09 Godzilla Mothra and Gamera are all well known kaiju in Japanese stories and movies These strange creatures often of enormous size tend to bring chaos along with them wherever they go Intriguingly enough kaiju like beings can be found throughout the Bible in creatures such as Leviathan Rahab and Behemoth But what exactly are these beings Are they mythical Are they symbolic Are they supernatural beings Were they living creatures that existed long ago Or do they still exist today hidden from us Can all of these questions even be concretely answered Pastor Jamin Bradley takes the perspectives of many different scholars into account in attempts to help us find the real significance behind these creatures This short experimental work is one part academic and one part artistry Experience what happens when the full color art of Asia is melded with deep Bible study in Kaiju of Biblical Proportions
