

Dead Poets Society Viewing Questions

Part 5 – Looking at things in a different way (39:42 – 49:57)

1. Back in the classroom, Mr Keating asks the boys why language developed. What is Neil's answer to this? What did Mr Keating want to hear as the answer?
2. Mr Keating knows that the boys dread studying Shakespeare. What simile does he use to describe their lack of enthusiasm for it?
3. Name the two famous actors Mr Keating mimics as he ignores Shakespeare.
4. Why does Mr Keating stand on his desk, and then encourage the boys to do the same?
5. Mr Keating gives an assignment that 'brings the hell out of' Todd. What have they to do?

Part 6 – Carpe Diem (49:57 – 1:01:00)

1. Neil is excited by an opportunity to Carpe Diem. What is the opportunity?

2. How does Todd burst Neil's bubble of excitement and enthusiasm?
3. Mr Keating coaches which sport?
4. What is unusual about his coaching session?
5. How does Neil overcome the problem of parental consent for his acting in the play?
6. What positive does Mr Keating admire in Knox's poem?
7. "The cat sat on the mat." How does Mr Keating congratulate the writer of this poem?
8. Todd says that he didn't write a poem. What does Mr Keating make him do instead of presenting? Mentioning things in your answer.
9. What two musical instruments can Charlie play?
10. Knox decides to Carpe Diem. What action does this involve?
11. Knox is delighted with the results of his action. Explain this statement.

Dead Poets Society Active Viewing Guide Answers

Raj Pillai, Susan Stites-Doe

Dead Poets Society Active Viewing Guide Answers:

Carpe Diem Russell G. Warren, 1996 *Carpe Diem* was written to transform student attitudes about their studies from those of hourly workers sitting in lectures and dutifully taking notes to an attitude which reflects student ownership of their education. The motivation for this book comes from compelling evidence that being an active rather than a passive learner will make a significant difference in life's successes. This book emphasizes that acquiring factual information is critically important but knowing facts is not enough. Successful people must also acquire broad skills including writing, speaking, interpersonal skills, initiative, time management, assertiveness, and reasoning ability. The specific teaching and learning techniques discussed include the discussion method, computer-assisted instruction, laboratory instruction, simulation, the case method, intensive reading and writing, student journals, and cooperative learning, including student affairs activities. *Carpe Diem* also provides the rationale for these learning techniques. In addition, it helps students develop a personal plan and connects that plan with active learning outcomes. Finally, the book offers appendices on the relevance of specific general education subjects and on how to choose a college that supports active learning.

E-Tivities Gilly Salmon, 2004-08-02 Beyond the hype of online learning lies a straightforward question: how do you really deliver worthwhile learning online? This book, based on action research, provides a simple answer to this fundamental question by exploring a key technique that enables teachers and learners to use available technologies happily and successfully. So what are e-tivities? They are motivating, engaging, purposeful activities developed and led by an e-moderator. They are frameworks for active and interactive online learning. E-tivities are in the hands of the teachers themselves and promote active e-learning. This is not a book about the technology of online learning. Practical, accessible, and direct, it looks at personalizing and customizing teaching and learning. Written for use in any topic, subject, or course, *E-tivities* explores the importance of activities in online learning, designing and running e-tivities, the five-stage model of teaching and learning online. Backed up by extensive illustrations and case studies and including a unique collection of 35 Resources for Practitioners, this is a book for all professionals involved in online learning.

Being Creative in Primary English Adrian Copping, 2016-09-19 Why should we foster creativity in primary English? A practical and accessible text that demonstrates how creative thinking and learning can support primary English teaching. With chapters mapped to the Teachers' Standards and links to the new National Curriculum, each chapter provides a case study exploring high-quality primary English practice, including planning, rationale, and ideas for the classroom. These are fully grounded in a wide range of theoretical frameworks, viewpoints, and values. Reflective activities in each chapter, offering practical exercises and additional reading suggestions, encourage trainee teachers to further their understanding of how theory translates to classroom practice. This inspiring book helps support learning, teaching, and assessment without losing innovation, excitement, and motivation for both teachers and children.

Improving Teaching in the High School Block Period David Marshak, 2001 Are you one of the tens of thousands of high school teachers making the

transition to block scheduling With this book you can learn how to adjust and improve your teaching skills in the block period Eleven high school teachers in public high schools compiled studies based upon their experiences The result Practical research studies that focus on the transition from short periods to block periods innovative and complex uses of time within the period structural innovations in programs and utilizing an instructional coach to improve teaching and learning in block periods **Teaching Leadership** Raj Pillai,Susan Stites-Doe,2003-07-01 **Acting for Young Actors** Mary Lou

Belli,Dinah Lenney,2006-08-01 Do you know a teen that s been bitten by the acting bug Here s just the book they need Acting for Young Actors aimed at teens and tweens lets kids hone their skills and develop their craft It begins with the five W s WHO am I WHAT do I want WHY do I want it WHERE am I WHEN does this event take place Sounds basic but many young child actors are told simply to get up there and act This book explores each of these questions using helpful exercises to allow young actors to work through problems of character identity and motivation With comprehensive chapters on auditioning rehearsal and improvisation plus a primer on how young actors can break into film theater and television Acting for Young Actors is every kid s ticket to the big time **Handbook of Counselor Preparation** Garrett McAuliffe,Karen

Eriksen,ACES,2010-12-01 Published in cooperation with the Association of Counselor Education and Supervision ACES This definitive single volume guide is the first of its kind on teaching and developing counselor educator programs that embrace constructivist and developmental theory Leading scholars and experts offer practical advice on teaching courses in every area of counseling practice As a result the book is ideal for current and future counselor educators and supervisors as well as faculty in other helping professions The authors seek to inspire educators to empower and involve to risk losing control over subject matter to hear student voices to pose dilemmas and to challenge their own assumptions in the presence of their students using constructivist developmental and experiential thinking and strategies Dear Instructors Sage and ACES are pleased to announce that we together have published the first comprehensive guide to educating future counselors in the form of the Handbook of Counselor Preparation Constructivist Developmental and Experiential Approaches which has been co edited by Garrett McAuliffe and Karen Eriksen with contributions from leading counselor educators from two countries In this book you will find rich accessible guides to teaching in general and to teaching specific courses in the counseling curriculum From foundations in constructivist teaching including guides to the seminal works of Dewey and Kohlberg to suggestions for teaching and student evaluation practices the Handbook will function as the fundamental text for your course We hope you will adopt this first of a kind text for this course Sage Publications Inc ACES Garrett McAuliffe and Karen Eriksen **The Pragmatist** ,1990 Education in Popular Culture Roy Fisher,Ann Harris,Christine Jarvis,2008-05-06

Education in Popular Culture explores what makes schools colleges teachers and students an enduring focus for a wide range of contemporary media What is it about the school experience that makes us wish to relive it again and again The book provides an overview of education as it is represented in popular culture together with a framework through which educators

can interpret these representations in relation to their own professional values and development The analyses are contextualised within contemporary historical and ideological frameworks and make connections between popular representations and professional and political discourses about education Through its examination of film television popular lyrics and fiction this book tackles educational themes that recur in popular culture and demonstrates how they intersect with debates concerning teacher performance the curriculum and young people s behaviour and morality Chapters explore how experiences of education are both reflected and constructed in ways that sometimes reinforce official and professional educational perspectives and sometimes resist and oppose them Education in Popular Culture will stimulate critical reflection on the popular myths and professional discourses that surround teachers and teaching It will serve to deepen analyses of teaching and learning and their associated institutional and societal contexts in a creative and challenging way
