D Kirk

Ceausescu And The Securitate Coercion And Dissent In Romania 1965 1989:

Ceausescu and the Securitate Dennis Deletant, 2016-12-05 First Published in 2017 This book contains Deletant's research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security Ceausescu and the Securitate Dennis Deletant, 1995-01 From the imposition of communist rule in 1945 Ceausescu's secret police the Securitate remained

shrouded in secrecy This work benefits from access to the archives of the Securitate *Intellectuals and Fascism in Interwar Romania* Cristina A. Bejan, 2019-08-23 In 1930s Bucharest some of the country's most brilliant young intellectuals converged to form the Criterion Association Bound by friendship and the dream of a new modern Romania their members included historian Mircea Eliade critic Petru Comarnescu Jewish playwright Mihail Sebastian and a host of other philosophers and artists Together they built a vibrant cultural scene that flourished for a few short years before fascism and scandal splintered their ranks Cristina A Bejan asks how the far right Iron Guard came to eclipse the appeal of liberalism for so many of Romania's intellectual elite drawing on diaries memoirs and other writings to examine the collision of culture and extremism in the interwar years The first English language study of Criterion and the most thorough to date in any language this book grapples with the complexities of Romanian intellectual life in the moments before collapse **Disaster Response**

by Ceausescu's Communist Regime in Romania Karin Steinbrueck, 2024-10-21 This book contains the first comprehensive history using extensive primary sources to trace the 1977 earthquake disaster response by the Ceau escu communist regime contextualizing its contribution to the public risk that remains in Romania's capital Bucharest It traces a history of one authoritarian government's disaster response linking its decisions and ultimate inactions to contemporary public risk The book begins with a stand alone chapter to introduce readers to twentieth century Communist Romania and contextualize the Ceau escu regime's response It provides insights into how Radio Free Europe filled the information vacuum how the political police the Securitate worked as first responders and how scientific experts debated the best course of action It examines how the regime requested specific foreign assistance and activated its Securitate abroad to encourage such prioritized restoration of the economy and encouraged domestic cash and labor contributions in the name of recovery The book examines how the disaster response abruptly ended leaving thousands of structurally unsafe buildings It explains the contemporary seismic risk and post communist mitigation efforts to reduce it This book will be of interest to students researchers and policy makers in the fields of history disaster studies urban planning politics and those interested in communist era Romania Europe and Eurasia totalitarian and authoritarian regimes *The Long 1968 in Hungary and Romania* Adrian-George Matus, 2023-12-31 This book advances a local regional and comparative analysis of the history of the

sixty eighters from Hungary and Romania between 1956 and 1975 The aim of the book is to answer to the following research question to what extent does the long 1968 mark and change protest history Another axis of my research equally important is how can one genuinely distinguish between a protest an opposition and a pastime Where did radicalisation truly begin and when was it solely an auto perception as a dissident In other words how can one truly distinguish between a leisure activity like listening to Radio Free Europe or exploring an altered state of consciousness and an explicit political activity like organising a protest or writing subversive texts Among other aims the books s scope is to understand where a leisure activity ends and a protest starts By practicing counterculture did the youth wish to contest the system or simply express themselves As method oral history plays a crucial part On a superficial level the interviews helped to fill in the archival gap However oral testimonies proved to reveal much more than essential factual information Oral history clarified how political and social events influenced the subjects memory formation

Peasants under Siege Gail Kligman, Katherine Verdery, 2011-07-25 In 1949 Romania s fledgling communist regime unleashed a radical and brutal campaign to collectivize agriculture in this largely agrarian country following the Soviet model *Peasants under Siege* provides the first comprehensive look at the far reaching social engineering process that ensued Gail Kligman and Katherine Verdery examine how collectivization assaulted the very foundations of rural life transforming village communities that were organized around kinship and status hierarchies into segments of large bureaucratic organizations forged by the language of class warfare yet saturated with vindictive personal struggles Collectivization not only overturned property relations the authors argue but was crucial in creating the Party state that emerged its mechanisms of rule and the new persons that were its subjects The book explores how ill prepared cadres themselves unconvinced of collectivization s promises implemented technologies and pedagogies imported from the Soviet Union through actions that contributed to the excessive use of force which Party leaders were often unable to control In addition the authors show how local responses to the Party s initiatives compelled the regime to modify its plans and negotiate outcomes Drawing on archival documents oral histories and ethnographic data *Peasants under Siege* sheds new light on collectivization in the Soviet era and on the complex tensions underlying and constraining political authority

Orthodoxy and the Cold War L. Leustean, 2008-12-10 Explores the dynamics between Orthodoxy and politics in Romania providing an accessible narrative on church state relations from the establishment of the state in 1859 to the rise of Ceau escu in 1965 The book argues that Romanian national communism had an ally in a strong Church and analyzes religious diplomacy with actors in the West

Romania under Communism Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania s last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania s trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins

in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry

The Romanian Revolution of December 1989 Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

Citizens and State Surveillance in Hungary and Romania Paul Tap, 2025-04-30 This book explores the impact of personality traits on people s acceptance of state surveillance used for national security purposes So far state surveillance has been analysed in relation to institutional factors technological infrastructures or specific contexts This book shifts the focus from institutional and systemic characteristics to individual traits It shows the extent to which people s personality traits explain the acceptance of state surveillance The book provides a comparative analysis of Hungary and Romania to outline the differences between two former communist countries The key results illustrate that highly conscientious people those who are active in their communities and the well informed persons accept state surveillance more

This is likewise one of the factors by obtaining the soft documents of this **Ceausescu And The Securitate Coercion And Dissent In Romania 1965 1989** by online.
