Camp Miracle Circle ® Benbow,2010-01-18 It was an enormous gamble Building a mountain retreat for wealthy aristocrats was by no means a sure thing But the family of nine siblings formed a solemn pact unto themselves to do just that The retreat had all the amenities including horseback riding guided hunting a country club and its own lake The centerpiece was to be a world class resort But

the most valuable asset of all was already there The Family had acquired a large piece of pristine wilderness in California s remote north coastal mountains They called their Family Mission the Grand Project But it would become formally known as HOTEL BENBOW This is the story of its creation Queering the Countryside Mary L. Gray,Colin R. Johnson,Brian J. Gilley,2016-03-15 This collection of original essays confronts the assumption that queer desires depend upon urban life for meaning By considering rural queer life the contributors challenge readers to explore queer experiences in ways that give greater context and texture to modern practices of identity formation The book s focus on understudied rural spaces throws into relief the overemphasis of urban locations and structures in the current political and theoretical work on queer sexualities and genders It highlights the need to rethink notions of the closet and coming out and the characterizations of non urban sexualities and genders as isolated and in need of outreach Provided by publisher Locomotive Engineers Journal ,1900
