Keeping Insects as Pets Ross R. Olney,2013-04-29 Insects can be wonderful pets if you don't mind that they usually live a short life and that they do things the way nature wants them to do things They are great fun to watch they can actually get to know you and come when you call them and they are easy to manage They never need a license and they won't disturb the neighbors Yes you must be careful where you walk with any insect pets around your pet praying mantis might have the run of the house but insects are fascinating to keep They are cheap and their food is usually free Insects are common pets in many parts of the world This book might get you started Using Live Insects in Elementary Classrooms for Early Lessons in Life
