The Inward Outlook Laura Basha PhD, 2014-08-06 THE INWARD OUTLOOK It is possible for people to see what has been obscured from their awareness It is possible to step from the invisible to the visible We are so afraid that we cannot be what we dream ourselves to be that we stay hidden inside of a persona that we ourselves created for our survival Bring the invisible to light so that you can begin to see your own beauty and claim your wholeness and your true voice When what has been obscured is illuminated you remember who you truly are The result is an inherently synchronized person inspired to learn and grow who is infused with the vitality of self actualization Such self perception cannot be overestimated in terms of its capacity to produce extraordinary positive results Laura Basha PhD The Inward Outlook gently reawakened me to several simple and accessible actions to take to have more joy happiness and peace in life Dr Basha's book has given me the opportunity to slow down my thinking and practice being aware of the reality created by such thinking With her masterful guidance one is able to free one's self up from even long held disempowering beliefs This written teaching is clearly demonstrative of her deep engagement in the practice of the Art of Transformation as well as fresh and engaging leaving one with the recognition that even in the rough spots life experience can be joyful and so much easier This work is phenomenally empowering Xavier Dubois CEO EVOX Omnimedia Laura Basha is a true teacher She has deep knowledge based on years of study life experience and personal introspective work Lewis Fulwiler Senior Consultant Senn Delaney Leadership Consulting Group LLC I am a
