indicated the reality of this hidden world which surrounds us The furtive and parasitical nature of this alternate reality leaves no doubt as to the intrinsic hostility of these others or at best the indifference that some of their racial types or subspecies exhibit toward humankind This book has been previously published in a First Edition an expanded Second Edition and now is offered EXCLUSIVELY in a greatly expanded magnum opus 3rd Edition presentation by Grave Distractions Publications with introductions by Brad Steiger Micha Hanks Brian J Allen and Dean de Lucia
