religious possibilities of engaging with the arts With the flourishing of Pentecostal culture comes the potential for an equally flourishing artistic life As this book demonstrates renewal movements have participated in the arts but have not systematized their findings in ways that express their theological commitments until now The book examines how to approach art in ways that are communal dialogical and theologically cultivating **The Arts in the Age of Soma** Andrew Young (Real name Jacob East),2025-05-15 This passionate book explores the decline of music and cinema as art forms in the past 25 years suggesting a new cultural revolution is actually anti culture Music and cinema have been suffocated in a cultural environment devoid of creativity and critical thought to numb the public and ensure the people uphold the status quo
