Claiming Our Rights E Kenyon:

Claiming Our Rights E. Kenyon, 2015-12-15 There is no excuse for the spiritual weakness and poverty of the Family of God when the wealth of Grace and Love of our great Father with His power and wisdom are all at our disposal We are not coming to the Father as a tramp coming to the door begging for food we come as sons not only claiming our legal rights but claiming the natural rights of a child that is begotten in love No one can hinder us or question our right of approach to our Father Satan has Legal Rights over the sinner that God cannot dispute or challenge He can sell them as slaves he owns them body soul and spirit But the moment we are born again receive Eternal Life the nature of God his legal dominion ends Christ is the Legal Head of the New Creation or Family of God and all the Authority that was given Him He has given us Matthew 28 18 All authority in heaven the seat of authority and on earth the place of execution of authority He is head over all things the highest authority in the Universe for the benefit of the Church which is His body **Post-Charismatic** Robby

McAlpine, 2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin Join me will you It s like we re caught between a rock and a hard place We re continuationists We believe all the gifts of the Holy Spirit are alive and well and essential for today But we ve also been burned by unbiblical teachings spiritual abuse and the gaslighting subculture of pneuma fomo fear of missing out on the next great move of the Spirit We yearn for the Spirit s presence and power in our lives We don t want to throw the baby out with the bathwater but the water s teeming with spiteful pathogens It s time to roll up our sleeves and take responsibility for disinfecting the tub Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long Our Kairos moment has arrived Let s hone the charismata of discernment

live in a society deeply embedded in a mindless individualism that is more concerned with a malleable Christ that suits their present taste than the Jesus of both the Bible and historic Christian orthodoxy This book is at once a critique a call and a consideration It is a critique of particular visions of Jesus that are embraced by specific subcultures philosophical camps and theological perspectives It is a call to the local church both its attendees and leadership intended to awaken them to the problems with these various portraits in hope of stirring them to respond appropriately It is a consideration of the primary ideological counterpoints to each view of Jesus and a postulation of the best manner in which to equip believers in the local assembly to respond to each distortion of Jesus and live under the lordship of the real Christ It is time to get Jesus out from under the tyranny of our personal tastes
