Social TV Mike Proulx, Stacey Shepatin, 2012-01-26 The Internet didn't kill TV. It has become its best friend. Americans are watching more television than ever before and we're engaging online at the same time we're tuning in. Social media has created a new and powerful backchannel fueling the renaissance of live broadcasts. Mobile and tablet devices allow us to watch and experience television whenever and wherever we want. And connected TVs blend web and television content into a unified big screen experience bringing us back into our living rooms. Social TV examines the changing and complex television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities. Social TV topics include: Leveraging the second screen to drive synched and deeper brand engagement. Using social ratings analytics tools to find and target lean forward audiences. Aligning brand messaging to content as it travels time shifted across devices. Determining the best strategy to approach marketing via connected TVs. Employing addressable TV advertising to maximize content relevancy. Testing and learning from the most cutting edge emerging TV innovations. The rise of one technology doesn't always mean the end of another. Discover how this convergence has created new marketing opportunities for your brand.

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming. They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline *Watching TV* provides the context and background to this multi-billion dollar enterprise. Drawing on decades of research, the authors weave together personalities, popular shows, corporate strategies, historical events, and changing technologies, enhancing the main commentary with additional elements that include fall prime time schedule grids for every season, date box timelines, highlighted key text, and selected photos. Full of facts, firsts, insights, and exploits from now back to the earliest days, *Watching TV* is the standard chronology of American television, and reading it is akin to channel surfing through history. The fourth edition updates the story into the 2020s and looks ahead to the next waves of change. This new edition is the first to also be available in a digital format.

The Business of Media Distribution Jeffrey C. Ulin, 2019-05-30 In this updated edition of the industry staple, veteran media executive Jeff Ulin relates business theory and practice across key global market segments: film, television, and online digital, providing you with an insider's perspective that can't be found anywhere else. Learn how an idea moves from concept to profit and how distribution dominates the bottom line. Hollywood stars may make the headlines, but marketing and distribution are the behind-the-scenes drivers converting content into cash. The third edition includes perspectives from key industry executives at studios, networks, agencies, and online leaders, including Fox, Paramount, Lucasfilm, Endeavor, Tencent, MPAA, YouTube, Amazon, and many more. Explores the explosive growth of the Chinese market, including box office trends, participation in financing Hollywood feature films, and the surge in online usage. Illustrates how online streaming leaders like Netflix, Amazon, Apple, YouTube, Hulu, and Facebook are

changing the way TV content is distributed and consumed and in cases how these services are moving into theatrical markets Analyzes online influences and disruption throughout the distribution chain and explains the risks and impact stemming from changing access points e g stand alone apps delivery methods over the top and consumption patterns e g binge watching Breaks down historical film windows the economic drivers behind them and how online and digital delivery applications are changing the landscape Ulin provides the virtual apprenticeship you need to demystify and manage the complicated media markets understand how digital distribution has impacted the ecosystem and glimpse into the future of how film and television content will be financed distributed and watched An online eResource contains further discussion on topics presented in the book *Competition in the Video and Broadband Markets* United States. Congress. House. Committee on the Judiciary. Subcommittee on Regulatory Reform, Commercial and Antitrust Law, 2014 **Moving Data** Pelle Snickars, Patrick Vonderau, 2012 Less than two years after its 2007 release the iPhone revolutionized not only how people communicate with each other and the world but also how they consume and produce culture Combining traditional and social media with mobile connectivity the iPhone and other smart phones have redefined as well as expanded the dimensions of everyday life allowing individuals to personalize media as they move and process constant flows of data Today millions of consumers love and live by their iPhones but what are the implications of its special technology on society media and culture F *Bloomberg Businessweek*, 2011 [The New York Times Index](#), 2009 **Top of the Morning** Brian Stelter, 2019-11-26 Discover the cutthroat world behind the polite smiles and perky demeanors of morning news in the book that inspired the Apple TV series starring Reese Witherspoon Jennifer Aniston and Steve Carrell When America wakes up with personable and charming TV hosts it s hard to imagine their show bookers having to guard a guest s hotel room all night to prevent rival shows from poaching But that is just a glimpse of the intense reality revealed in this gripping look into the most competitive time slot in television Featuring exclusive content about all the major players in American morning television the book illuminates what it takes to win the AM when every single viewer counts tons of jobs are on the line and hundreds of millions of dollars are at stake Author Brian Stelter is behind the scenes as Ann Curry replaces Meredith Vieira on the Today show only to be fired a year later in a fiasco that made national headlines He s backstage as Good Morning America launches an attack to dethrone Today and end the longest consecutive winning streak in morning television history And he s there as Roberts is diagnosed with a crippling disease on what should be the happiest day of her career So grab a cup of coffee sit back and discover the dark side of the sun PRAISE FOR TOP OF THE MORNING Mr Stelter pulls back the curtains and exposes a savage corporate world that might have been inhabited by the Sopranos Washington Times A troubling look inside an enterprise as vicious and internecine as a soap opera Kirkus Reviews
