Step 1: isolate the test person's foot. It's easiest to do if they're flat on their back.

Step 2: fold your rope evenly in two, keeping the light between your thumb and forefinger

Step 3: wrap several times around the foot.

Step 4: tie an over-hand knot through all coils, as shown

Get Schooled! | Study 17

Step 5: lift up —

— and double knot

Step 6: pull the foot all the way back, to the test person's butt

Like so

Get Schooled! | Study 17

Step 7: wrap the rope over the thigh & calf, passing it under the original rope on the outside

Step 8: hook the rope down, returning to loop around thigh & calf in the opposite direction

Step 9: now pass that rope under the second loop (at the shin) that you've created

Step 10: reverse again, this time going over the thigh

Get Schooled! | Study 17

Step 13: continue until you reach just below the knee

Step 14: tie off with an over-hand knot

Extra rope can be tucked in, or used for decoration

How do I become a Mistress? Mistress Moriah, 2025-09-15 With the book *How to become a Mistress* Mistress Moriah presents her candid and special view from her experience as a Mistress and lifestyle Femdom lady. Her views have emerged from walking her own path and from the many conversations she has had with dominants and subs over the years. She hopes this book can be an inspiration and give more insight into the deeper layers of experience. The book forms a practical reference book for certain acts from Age play to Whips as a small handhold in the wonderful world of BDSM. Questions such as How safe is sounding? How does electro work? Where is the best place to hit with the cane or What is the deeper experience of Needleplay are covered in detail. The book informs in an engaging way that makes the content an enjoyable read. Anthropologica, 2006 [A couples Guide to D/s Life](#) Salty Vixen, 2024-10-26 Here's the scenario: You and your significant other have been living the vanilla life since you first got together. You've been happy for the most part but for a long time you felt there was something missing. Maybe you couldn't put your finger on what the problem was but you sensed there was more to you than you'd ever admitted. One day something pointed you in the direction of the D/s lifestyle. It could have been a picture you saw of a woman kneeling with her hands cuffed behind her back, that paperback novel you picked up and couldn't put down or one of the feature shows on late night HBO that dealt with dominance or submission. Since that day or night you haven't been able to get it off your mind. You've browsed the web and seen various articles on the subject and said, 'Yes that's how I feel or I've had those feelings all my life and didn't know what they were.' You agonized about telling your lover, spouse or partner about this hunger you had to explore a part of yourself you'd hidden for so long for fear of being rejected or worse. Finally you couldn't hold back any longer. You made your feelings known perhaps using one of the techniques found in *Introducing Your Mate to D/s* chapter and were surprised when your mate confessed they'd felt the same way but were afraid to admit it too. Suddenly the whole relationship changes and you're both eager to begin this new exploration together. But there's one problem: Where do we start?
