Celebrating Liturgical Time Days Weeks And Seasons:

Celebrating Liturgical Time J. Neil Alexander, 2014-10 Celebrating Liturgical Time continues the standard of scholarship set by Patrick Malloy's Celebrating the Eucharist. It is ideal for students, clergy, and church members who seek to strengthen their knowledge and parochial practice of liturgical timekeeping and the Daily Office. *Theological Foundations of Worship (Worship Foundations)* Khalia J. Williams, Mark A. Lamport, 2021-07-20 This volume brings together an ecumenical team of scholars to present key theological concepts related to worship to help readers articulate their own theology of worship. Contributors explore the history of theology's impact on worship practices across the Christian tradition, highlighting themes such as creation, pneumatology, sanctification, and mission. The book includes introductions by N. T. Wright and Nicholas Wolterstorff. A forthcoming volume will address the historical foundations of worship. **T&T Clark Handbook of Sacraments and Sacramentality** Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology, this volume covers the biblical and historical foundations, a survey of the state of the discipline, and a collection of constructive essays representing major themes, practices, and approaches to sacraments and sacramentality in the contemporary world. The volume starts with a set of foundational essays that offer a broad introduction to the field of sacramental theology from contemporary scholars, analysing a number of historical figures in order to illumine and inform contemporary sacramental theology. The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space, time, ritual, action, music, and word, all as aspects of what Christians have termed sacramental reality. The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions: baptism, eucharist, Lord's Supper, confirmation, confession, forgiveness, and reconciliation, marriage, ordination, and anointing. The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines: critical race theory, queer theory, comparative theology, and disability studies. *Introduction to Christian Worship* James F. White, 2023-11-21 James White's classic Christian worship text, revised and updated. The book, which students of worship have read and re-read, is now revised and updated for the first time in more than twenty years. Author Ed Phillips, one of White's graduate students, is joined by practitioners and teachers from emerging generations who contribute timely and well-researched material from their own areas of expertise. This new content brings the original up to date, filling significant gaps since the original publication on topics like technology, arts, embodiment, in and of worship, pluralism, and multiculturalism, denominational changes, and changes in the spaces and forms of worship, including worship in the age of pandemics. This new edition will take its place on the shelf of every student, pastor, and leader of Christian worship. *Sourcebook for Sundays, Seasons, and Weekdays 2012* Liturgy Training Publications, 2011-03-28 *Praying Shapes Believing* Leonel L. Mitchell, 2016-08 2015 marks the 30th anniversary of Lee Mitchell's great standard work on the 1979 Book of Common Prayer. As his student, protégé, and colleague
