Never Go Back (eBook) Henry Cloud, 2015-05-01 In this life-changing book, you'll learn ten pathways of success that will help you redirect your mistakes and make way for success physically, personally, and spiritually. Everyone makes mistakes, big and small. Sometimes our mistakes take us down the wrong path and send us spiraling into destructive life patterns, and sometimes we learn a lesson and never make the same mistake again. But how? How do we recognize our destructive patterns, make new choices, and then follow through? In *Never Go Back*, bestselling author Dr. Henry Cloud shares ten doorways to success, and once we walk through these new pathways, we never go back again. His proven method, based on grace, not guilt, outlines ten common life patterns that sabotage success and lays out clear, concrete steps you can take to overcome them. You'll see your relationships flourish, your personal life enhanced, and your faith strengthened. Dr. Cloud's powerful message reveals doorways to understanding; once you enter them, you will get from where you were to where you want to be. With a winning combination of eternal principles, spiritual wisdom, and modern scientific data, *Never Go Back* will put your heart in the right place with yourself and with God. Christianity Today Intl., 2011-12-20 Find answers to over 7,000 questions about the Bible. Get answers to the Bible questions you have and questions you haven't yet pondered. The NIV Quest Study Bible features over 7,000 notes written in an engaging question and answer format that give insight into the common, uncommon, and sometimes perplexing passages from the Bible. You will have the opportunity to consider questions like: Why did God send angels to Jacob? What prevents God from hearing our prayers? and Why does God test us as you explore God's Word using the many study helps. The original Quest Study Bible was conceived in 1989 when two publishing companies, Zondervan and Christianity Today International, worked together to develop a Bible that would answer the challenging questions that arose as people read Scripture. Focus groups around the United States evaluated the usefulness of potential study Bible features and helped select the features that would be included in this Bible. Then more than 1,000 people received passages of Scripture and were asked: What questions do you have about this portion of the Bible? Their responses helped determine what kinds of questions the notes would answer, helping to create a resource that answers the questions that real people have asked about the Bible. Notes have been updated in subsequent releases to ensure that this Bible stays relevant and current to modern readers. Features: Complete text of the accurate, readable, and clear New International Version (NIV). Over 7,000 insightful notes arranged in a unique question and answer format. Nearly 350 articles investigate the most asked questions about the Bible. Book introductions that answer questions about each book, such as: Who wrote it? Why? and What should I look for?
