Celebrations of Curious Characters Ricky Jay, 2011 Profiles unique entertainers including musical prodigies cannon ball catchers conmen card cheats and other side show performers and oddities *Fakers* H. P. Wood, 2018-10-02 From the Trojan horse to fake news scams have run rampant throughout history and across the globe Some con artists do it for fun others for profit and every once in a while a faker saves the world In this era of daily online hoaxes it s easy to be caught off guard *Fakers* arms kids with information introducing them to the funniest weirdest and most influential cons and scams in human history Profiles of con artists will get readers thinking about motivation and consequence and practical tips will help protect them from falsehoods If it sounds too good to be true it probably is except in the case of this book [The Year's Work in the Oddball Archive](#) Joseph Campana, Theodore Bale, Atia Sattar, Beth A. McCoy, Robin Blyn, Dennis Allen, Timothy Sweet, Charles M. Tung, Aaron Jaffe, Grant Farred, Seth Morton, 2016-02-01 By playing with notions of collecting and cataloging this anthology offers a range of investigations into detritus and forgotten ephemera Colin Dickey coeditor of *The Morbid Anatomy Anthology* The modern age is no stranger to the cabinet of curiosities the freak show or a drawer full of odds and ends These collections of oddities engagingly work against the rationality and order of the conventional archive found in a university a corporation or a governmental holding In form methodology and content *The Year's Work in the Oddball Archive* offers a counterargument to a more reasoned form of storing and recording the avant garde or the post avant garde the perverse the off the bent the absurd the quirky the weird and the queer To do so it positions itself within the history of mirabilia launched by curiosity cabinets starting in the mid fifteenth century and continuing to the present day These archives or are they counter archives are located in unexpected places the doorways of Katrina homes the cavity of a cow the remnants of extinct animals an Internet site and they offer up alternate modes of knowing to the traditional archive An unruly and much needed model for how to do the archive differently Scott Herring author of *The Hoarders Material Deviance in Modern American Culture* It was a pleasure to read through this collection and I suspect some of the essays if not the entire book will find itself on the syllabus for my Archive and Ephemera graduate course Museum Anthropology Review A finely wrought collection of curiosities A vital intervention into how we talk about the stuff that surrounds us Colin Dickey coeditor of *The Morbid Anatomy Anthology* [Sensationalism and the Genealogy of Modernity](#) Alberto Gabriele, 2016-11-15 This book maps out the temporal and geographic coordinates of the trope of sensationalism in the long nineteenth century through a comparative approach Not only juxtaposing different geographical areas Europe Asia and Oceania this volume also disperses its history over a longue dur e allowing readers to perceive the hidden and often unacknowledged continuities throughout a period that is often reduced to the confines of the national disciplines of literature art and cultural studies Providing a wide range of methodological approaches from the fields of literary studies art history sociology of literature and visual culture this collection offers indispensable examples of the relation between literature and

several other media Topics include the rhetorical tropes of popular culture the material culture of clothing the lived experience of performance as a sub text of literature and painting and the redefinition of spatiality and temporality in theory art and literature

Jumping Through Hoops Betsy Golden

Kellem, 2025-06-10 Jumping Through Hoops tells the hidden history of female circus performers who played with and shattered gender stereotypes during the rise of the American traveling circus The circus is full of colorful tales of larger than life personalities such as P T Barnum General Tom Thumb and Philip Astley the so called father of the modern circus However history often overlooks the astounding ways that women carved out space for themselves in the circus at a time when women were expected to stay home and defer to men Jumping Through Hoops sets the record straight telling the stories of boundary breaking circus women such as The Queen of Beauty Lavinia Warren Millie Christine McKoy the Two Headed Nightingale and Patty Astley who should rightfully be remembered as the mother of modern circus The spectacular skills unusual bodies and bold backstories of these female and gender non conforming circus performers who walked on tightropes across waterfalls rode horseback in drag wrestled snakes and performed feats of electrical magic challenged public ideas of what femininity could look like Jumping Through Hoops gives these performers their rightful place in circus history In this deeply researched book Emmy award winning circus historian Betsy Golden Kellem deftly explores how the beginning of modern mass media culture changes in technology and transportation and cultural shifts in the United States impacted the circus and how these extraordinary individual circus artists shaped our modern understanding of gender culture and performance in America
