Home Cell Group Explosion Joel Comiskey, 2023-03-08

Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the

highest visibility cell group churches to interview their leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer Church Planter Multisite Churches Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God's design for the local church but does Scripture support this claim In Multisite Churches pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church's future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters Multisite Churches is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource **A Theology for the Church** Daniel L. Akin, 2007 Leading Baptist and evangelical thinkers examine eight key Christian doctrines shaping a church theology that is both biblically sound and relevant today Living in Victory Joel Comiskey, 2020-07-14 Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children's church But he told me last week that he is exhausted On the surface he has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don't exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living

through the believer based on God's Word can give true victory. But there are basic principles that God has used throughout the centuries to encourage believers and give them victory. In this book I've pinpointed nine principles and priorities that will help a believer live a victorious Christian life. They are: victory in preparing for eternity, victory in experiencing God's love, victory in God's grace, victory in God's sovereignty, victory in spending time with Jesus, victory in close relationships, victory in the local church, victory in rest, and victory in healthy living. These nine priorities will help you understand and apply principles that are simple, biblical, and time-tested to produce spiritual, emotional, and physical benefits. My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you.
