**Powerful Leadership Through Coaching** Michael K. Simpson, 2019-12-17 On going coaching and development that can be a game changer for all employees. All great coaches know how to ask good open ended questions and how to give effective feedback. They keep a balanced and honest perspective that separates the person from the problem or issue, coaching to leverage their unique strengths and helping them improve weaknesses with a mindset focused on continuous improvement. This ongoing coaching

and development can be a game changer for all people and teams with access to it But what about the teams and players that aren't empowered or even allowed to expand their roles Or the team members whose careers don't inspire or play to their natural gifts talents and strengths It's painful for any organization or manager when people on their team aren't given the tools to succeed and more painful still when the team member doesn't yet realize it But by coaching through leadership any manager of any organization can create a supportive structure that helps assign the right roles resources tools and career opportunities that will best leverage their strengths Determines coachability and readiness for employee change and improvement Builds awareness to deal with the right issues challenges and opportunities Offers leaders managers the tools to help a performer leverage their greatest gifts talents and strengths Allows for dialogue and tactics to close gaps in experience communication styles and personality Guides managers in how to have dialogue around difficult and important issues with their employees Includes coaching principles practices and tools with practical real world examples Offers strategies and tools to help employees become more motivated for effective change action and accountability Each chapter includes a series of powerful and provocative coaching questions for any leader or manager to use immediately in the workplace

**Everyday Coaching** Virginia Bianco-Mathis, Lisa Nabors, 2017-08-29 Unleash Hidden Potential With Coaching Conversations Coaching is not just for coaches When everybody within an organization learns and develops coaching skills its culture begins to change The exchange of meaningful and actionable feedback becomes the norm and not something that only occurs during annual performance appraisals The willingness to share insights and ideas becomes accepted and expected at all levels up down and across Virginia Bianco Mathis and Lisa Nabors believe everyone in an organization can master a new language dialogue and use it in the service of excellence and continuous learning Everyday Coaching endorses the idea that by improving coaching dialogue skills people will show up every day knowing that what they say and do makes a difference Through practical tips and examples Everyday Coaching demonstrates the difference between conversations and true dialogue the power of using the language of coaching to achieve expectations personal growth and overall strategic success With an easy to use coaching model you can practice formally or informally giving feedback making agreements and guiding behavior In this book you'll learn to Use coaching to create a culture of collaboration Inspire meetings and agendas with more purposeful conversations Embody coaching as a normal way of going about continuous improvement Not everyone is a professional coach But with Everyday Coaching everyone can take the best of what coaching has to offer the dialogue tools and mindset and leverage it to transform themselves and their organization
