Her abductor, almost killer, was never caught, and part of her always remained lost in those woods, afraid of what would happen if he found her. Beast Asha King, 2015-12-04. A scarred recluse hiding from his past, Joseph Li has lived in hiding since he was fifteen years old. The son of a dangerous mob boss known as The Dragon, he sought a life of his own and paid the ultimate price, ending up horribly burned over half of his body. He escaped when the world and his mother assumed he died in the fire but is not without scars. Physically, he's disfigured; mentally, he trusts no one and has become a shut-in living in the fringes of small towns until local interest drives him away. The beautiful young housekeeper who is more than she seems, Belladonna Martin, is a loyal employee of Seven Security, specializing in undercover work. When a local call girl comes to her for help after a prostitute turns up dead, one who worked at Li's mansion with whom the scarred man living there killed her, Belle naturally takes the case. She slips into the persona of a housekeeper who provides companionship on the side, hoping to find evidence to convict the monster responsible for the crime. Joseph believes he's more beast than man, even as Belle's presence gives him hope for redemption. But beyond the lies surrounding her identity that could destroy their budding relationship, a twenty-year-old secret is buried deep in Midsummer, one from Joseph's past that might claim both their lives.
