Candy Episode 5:

Candy Planet Shirui Sharon Liu, 2022-07-12 Somewhere faraway in the universe there is a place called the Candy Planet. There a group of fairies live in love and happiness having all kinds of fun learning and practicing their magic and having sports competitions. There is a lake on the Candy Planet called Love Pool with water as blue as the sky and waves gently spreading on the peaceful surface. The lake's surface often reflects rainbows and lovely plants and animals are everywhere. The fairies of the Candy Planet sleep in the pool just like mermaids and they can do all kinds of magic with their special powers. They have pets and grow flowers and they can even travel to other places such as various countries on Earth. This children's story paints a picture of a wonderful beautiful world where gentle fairies and animals live together in peace and harmony free from all troubles and worries.
