Cannabis Cookbook: Everything you need to know before cooking with cannabis The Canna School, 2020-07-30
This cookbook is not like the other edible cookbooks out there. We think it's better. Not only are there over 130 edible recipes in it, but there is also an entire chapter dedicated to teaching you everything you will need to know before you start cooking with cannabis. This book is stand-alone content that has something for you regardless if you are a beginner or an expert. It also happens to have enough edible recipes to keep you busy for a lifetime. We also made sure to keep the political commentary out of this. The only thing you will find in this book is helpful information. Included in this book: Chapter one will teach you everything you need to know before you start cooking with cannabis. This chapter is perfect for the beginner cannabis chef. 134 unique cannabis edible recipes. 50 exclusive edible recipes that are only available in this book. Important terms surrounding cannabis. In-depth decarboxylation guide. Comprehensive dosage guide with easy-to-follow recommendations. How to adjust the potency of edibles. A step-by-step guide to calculating the potency of edibles. How to transform recipes you have at home into edible recipes. 6 unique activated ingredient recipes. Breakfast recipes, main course recipes, appetizer recipes, snack recipes, dessert recipes, and drink recipes. We don't promote a political opinion. Only helpful information is shared. We got rid of all the fluff. Everything explained in this book will help you in one way or another. Everything you need and more to start cooking with cannabis. You will not need to visit websites, use external sources, or look elsewhere for information. FAQ's. Are there pictures with the recipes? YES. For every recipe, there is an image. Are all of these recipes online? No. There are over 50 recipes in this cookbook that you will not find anywhere else. What type of recipes are in the book? We didn't want to make a cookbook that was exclusively dessert recipes or exclusively drink recipes. So we made one with breakfast recipes, snack recipes, appetizer recipes, main course recipes, dessert recipes, and drink recipes. There are all different kinds of recipes in this cookbook. Do all of the recipes use cannabis butter? Nope. The recipes use cannabis butter, cannabis milk, cannabis oil, cannabis cream, and cannabis almond milk. How many pages are in the book? There are 298 pages.

Willie and Annie Nelson's Cannabis Cookbook Willie Nelson, Annie Nelson, David Ritz, Mia Tangredi, Andrea Drummer, 2024-11-12. Country icon, bestselling author, and living legend Willie Nelson pairs his gift for storytelling and herbal remedies with his wife Annie's passion for home-cooked meals in this cookbook of cannabis-infused delicacies. In the Nelson family's first ever cookbook, we're cooking with good vibes only. Drawn from their favorite meals on nationwide tours at the ranch at home and in their favorite cities along the way, these recipes have stories to tell, and what better way to enjoy a good meal than with a high-flying tale and a relaxing buzz? Each recipe provides a cannabis kick to ease the mind as much as the body, making their cookbook an exciting, comforting, and lively way to dive into their story as they draw from meals shared with family, friends, and fans alike. The recipes themselves are delicious and easy to make at home. Buffalo wings, chocolate cake, fried chicken. Only the good stuff. And it includes an additional chapter providing a full suite of cannabis-infused base
