Canoeing Outdoor Adventures Series:

Canoeing Pamela Dillon, 2008 Canoeing is one of the fastest growing outdoor activities more than 9 million people enjoy the experience each year. It allows you to socialize with friends and family while exploring new places as you relax and enjoy the outdoors. Canoeing not only provides you with the basic skills and knowledge you need to safely head out for adventures on a variety of water trails but also presents a strong foundational understanding of this recreational activity. In *Canoeing* the expert instructors from the American Canoe Association provide you with indispensable advice on gear and equipment selection, food and nutrition, fitness, water trail etiquette and safety, and survival skills. Step by step instruction of fundamental paddling skills and techniques, informative consumer technique and safety tips, and Web based resources to help you plan trips in the United States and throughout the world. The authors share all of the background information you'll need to get started, beginning with descriptions of the various types of canoeing being practiced today to help you determine the type of paddling that suits your needs. They discuss fitness basics, food and nutrition needs, and gear and equipment from the canoe itself to life jackets, paddles, and clothing. They then cover important safety and survival guidelines including weather, river hazards, capsizing, cold water safety, and rescue protocols. *Canoeing* will teach you fundamental paddling skills and techniques and help you build on those skills to learn more complicated compound strokes and maneuvers. Now you're ready for your first adventure. Starting with easy river trips, you move on to more challenging waterways, overnight and extended trips, and canoeing adventures for groups and families, even with dogs. The book also includes the *Quickstart Your Canoe* DVD. This instructional DVD guides you through an introduction to paddle sports and basic safety and paddling techniques so you can enjoy a safe boating experience. It contains videos of the essential skills and techniques of canoeing, making it easier than ever to learn the basics. Throughout the book and DVD, expert instructors provide all the skill instruction and insider tips you need to enjoy canoeing and have a successful adventure while extending your skills for more challenging adventures in the future. Canoeing is part of the Outdoor Adventures series. This practical series contains the essential information to help you get ready and go. The Outdoor Adventures series will prepare you with instruction in the basic techniques and skills so you can be on your way to an adventure in no time. *Paddling Northern Minnesota* Lynne Smith Diebel, 2005-02 Discover an amazing variety of paddling adventures with this guide to 86 trips on northern Minnesota's rivers including the Boundary Waters.

Kayaking American Canoe Association, 2009 With more than 12 million people taking part each year, kayaking is one of the fastest growing outdoor activities in the U.S. today. Participation in this fun and exhilarating pastime has grown nearly 20% in the past few years. *Kayaking* is the perfect book to teach these new paddlers the essential skills and techniques they'll need to get out on the water. The experts at the American Canoe Association will provide readers with practical guidance on gear and equipment selection, nutrition, fitness, and stretching, water trail etiquette and safety, and survival skills, basic paddling techniques for flatwater, river and whitewater, and sea kayaking, as well as instruction on more complex

maneuvers and rolls Kayaking also includes the Quick Start Your Kayak DVD This DVD reinforces the basic safety information and rescue techniques found in the book It also features videos of kayaking strokes and maneuvers making it easier to learn the proper technique **Rock Climbing** Wilderness Education Association,2009-07-27 Rock climbing has been growing in popularity since the 1930s and it s no wonder This exciting activity lets you spend time in the outdoors while challenging yourself both physically and mentally and bonding with friends and family With the increasing availability of a variety of climbing venues including indoor climbing gyms it s easier than ever to try rock climbing Rock Climbing is the perfect book for anyone who wants to develop the skills Rock Climbing will help you explore one of the world s fastest growing activities safely and successfully The experts at the Wilderness Education Association ensure you learn proper technique which is essential to a safe and enjoyable experience They prepare you for your adventure with information on fitness and conditioning equipment and gear selection and nutrition Safety skills are integrated throughout the book You ll learn how you can use indoor climbing to practice basic skills before moving on to refine and build on those skills in the outdoors You ll find easy to follow instruction of climbing fundamentals including knots belaying building anchor systems moving on rock descending and lead climbing giving you all the skills and knowledge you need to be a capable beginning climber Throughout the book the authors share consumer technique and safety tips collected from their years of experience as both climbers and instructors They also list Web sites to help you find climbing organizations shop for equipment and gear plan outdoor climbing trips and more The book also includes Success Check questions for each chapter that will help you test your climbing knowledge Use Rock Climbing to join the millions of other climbing enthusiasts around the world This complete resource will teach you all the essential information for a successful rock climbing adventure *Kayaking* ,2009
