that enables you to type in a word or phrase or paste in text from the web and hear it spoken back to you in perfect Spanish Now in colour with an ultra clear layout for maximum accessibility this major new edition provides the richest coverage of Spanish from around the world covering over 300 000 words and phrases and more than 500 000 translations Oxford's expert teams of lexicographers have used the latest technology to search millions of words of web based text and identify all the most recent additions to both Spanish and English Over 20 000 new entries have been added to the dictionary from all aspects of life today business IT science the media the environment the internet and social life Hundreds of special entries now give information on life and culture in the Spanish speaking world and in text notes give extra help with grammar and usage The dictionary also includes an extended guide to effective communication including a wealth of example letters offering help with a wide range of topics from writing a job application or a CV to booking a hotel room With a new easy access colour design to make consultation even quicker this is the most complete and up to date reference tool for anyone studying Spanish in senior school or at university or for translators and other language professionals This title replaces ISBN 0 19 860367 3 It is also available on CD ROM with full text search and innovative Spanish pronunciation functionality

Filosofía de las artes japonesas Jesús González Valles, 2007-05-30 La obra ofrece una visión de las artes japonesas en su doble vertiente marcial y estética unas nacidas para la guerra y otras para la paz pero todas convertidas hoy en caminos de paz Aborda el texto sus raíces orígenes desarrollo histórico y el trasfondo filosófico moral y espiritual que las sostiene y les infunde valores de autenticidad Por tener la impronta de las tradiciones religiosas orientales estas artes se definen con el sufijo común de camino do El concepto de camino es místico y omnipresente en el patrimonio cultural japonés y sin las especialidades artísticas sólo tendrían un valor de simple técnica y carecerían de una contextura espiritual que les da dignidad un marcado carácter de autodisciplina y una sublimación por encima de la mera actividad física Por ello la obra intenta analizar la andadura histórica y la interioridad moral y espiritual de estos caminos artísticos
