[Your Journey to Peace](#) Rosemary McCarthy, 2016-10-21

Intertwined with Rosemary McCarthy's personal journey of shifting from an angry, frustrated person blaming others for her unhappiness to someone who now lives content with herself and in harmony with others, *Your Journey to Peace* brings the esoteric to the practical and maps out how to become your Best Self and feel empowered in all areas of your life. It also explains why we are the way we are individually and collectively and how we got this way. How we find peace within ourselves by making peace in our relationships and all situations. That God does not allow for suffering. We create it by upholding dualistic concepts of me and you and us and them that we embraced at our beginnings and before. The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings. All our issues stem from those original concepts based on ideas of separation rather than unity. That understanding time makes the seven-day creation model valid. What are the extraterrestrials' origins? How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs. Our need to embrace the Indigenous peoples' connection to Gaia. That we chose to be here at this time of the Shift to bring about our personal and Gaia's Ascensions.
