reproductive technology replays the sins of the eugenics movement Eugenics the effort to improve the human species by inhibiting reproduction of inferior genetic strains ultimately came to be regarded as the great shame of the Progressive

movement Judith Daar a prominent expert on the intersection of law and medicine argues that current attitudes toward the potential users of modern assisted reproductive technologies threaten to replicate eugenics same discriminatory practices In this book Daar asserts how barriers that block certain people s access to reproductive technologies are often founded on biases rooted in notions of class race and marital status As a result poor minority unmarried disabled and LGBT individuals are denied technologies available to well off nonminority heterosexual applicants An original argument on a highly emotional and important issue this work offers a surprising departure from more familiar arguments on the issue as it warns physicians government agencies and the general public against repeating the mistakes of the past *Caring in Times of Precarity*

Chow Yiu Fai,2018-12-14 *Caring in Times of Precarity* draws together two key cultural observations the increase in those living a single life and the growing attraction of creative careers Straddling this historical juncture the book focuses on one particular group of precariat single women in Shanghai in various forms of creative self employment While negotiating their share of the uncanny creative work ethos these women also find themselves interpellated as shengn left over women in a society configured by a mix of Confucian values heterosexual ideals and global images of womanhood Following these women s professional social and intimate lives the book refuses to see their singlehood and creative labour as problematic and them as victims It departs from dominant thinking on precarity which foregrounds and critiques the contemporary need to be flexible mobile and spontaneous to the extent of self exploitation accepting insecurity The book seeks to understand empirically and specifically women s everyday struggles and pleasures It highlights the up close everyday embodied affective and subjective experience in a particular Chinese city with broader global resonances well beyond China Exploring the limits of the politics of precarity the book proposes an ethics of care **The Onion's Finest News Reporting** Scott

Dijkers,Robert Siegel,2000 *The Onion* is the world s most popular humor periodical Its first book *Our Dumb Century* was a New York Times 1 best seller and winner of the 1999 Thurber Prize for American Humor Now *The Onion* returns with Volume One of the paper s greatest most hard hitting stories including Clinton Deploys Vowels to Bosnia Operation Vowel Storm Will Make Countless Bosnian Names More Pronounceable Jesus Christ Returns to NBA Microsoft Patents Ones Zeroes I Can t Stand My Filthy Hippie Owner by Thunder the Ferret Madonna Andy Koopmans,2003 Releasing her first album in 1983 Madonna became one of the most powerful entertainment figures in the world by the turn of the millennium A top earning performer and a successful businesswoman Madonna s performances and recordings remain among the most popular in the world as her career enters its third decade
