**Paris** Paris Hilton, 2023-03-14 An Instant New York Times Bestseller From the woman who is credited for launching what we know as the celebrity focused brand driven social media obsessed popular culture of today comes an honest and surprising memoir that reckons with that truth and shows that there is so much more to Paris Hilton than you might believe This extended edition includes a bonus chapter detailing her motherhood journey I was born in New York City on February 17 1981 three days after Valentine's Day From the time I was a toddler my brain skipped and flickered with the chemical imbalance of ADHD Sometimes it was too much I'm not bragging or complaining about it just telling you This is my brain It has a lot to do with how this whole book thing is going to play out because I love run on sentences and dashes And sentence fragments I'm probably going to jump around a lot while I tell the story I came of age during the most turbulent pop culture period ever The character I played part Lucy part Marilyn was my steel plated armor People loved her Or they loved to hate her which was just as marketable I leaned into that character my ticket to financial freedom and a safe place to hide I made sure I never had a quiet moment to figure out who I was without her I was afraid of that moment because I didn't know what I'd find I wrote this book in an effort to understand my place in a
