Lords of the Rinks John Chi-Kit Wong, 2005-12-15 No sport is as important to Canadians as hockey Though there may be a great many things that divide the country the love of hockey is perhaps its single greatest unifier Before the latest labour unrest in the National Hockey League NHL however it was easy to forget that hockey is also a multi million dollar business run not by the athletes or coaches but by corporate boards and businessmen The Lords of the Rinks documents the early years of hockey's professionalization and commercialization and the emergence of a fledgling NHL from 1875 to 1936 As the popularity of hockey grew in Canada in the late nineteenth century so too did its commercial aspects and players club directors rink owners fans and media had developed deep emotional economic and ideological interests in the sport Disagreement came in the ways and means of how organized hockey especially at the elite level should be managed Hence some coordination by way of governing bodies was required to maintain a semblance of order These early administrative bodies tried to maintain a structure that would help to coordinate the various interests set up standards of behaviour and impose mechanisms to detect and punish violators of governance In 1917 the NHL held its first games and by 1936 had become the dominant governing body in professional hockey Having performed extensive research in the NHL archives including league meeting minutes letters memos telegrams as well as gate receipt reports John Chi Kit Wong traces

the commercial roots of hockey and argues that in its organized form the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional The Lords of the Rinks is the only truly comprehensive and scholarly history of the league and the business of hockey Electronic Format Disclaimer The image on page 22 has been removed at the request of the rights holder *Deceptions and Doublecross* Morey Holzman, Joseph Nieforth, 2002-10 The story of the rise of the NHL as the only major hockey league in North America **Encyclopedia of Sports Management and Marketing** Linda E. Swayne, Mark Dodds, 2011-08-08 This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers
