Dare To Prepare How To Win Before You Begin:

Dare to Prepare Ronald M. Shapiro, Gregory Jordan, 2009-02-24 Over the course of a forty year career in the worlds of law sports business and politics Ron Shapiro has worked with and advised an incredible variety of people What he s found is that the secret ingredient for getting into the winner s circle is simply the discipline of methodical preparation that old school step by step way of having all your ducks in a row whether you are an executive getting ready to do a deal or make a speech a pitcher studying the traits of opposing hitters and keeping a meticulous notebook of their strengths and weaknesses an international trade negotiator who knows all about the issues and the people on the other side before sitting down at the table or a surgeon who rehearses like a classical musician Deep down you know you should do it But how often do you wing it and fly by the seat of your pants because Gosh I don t have time I ve done this before I know what I m doing It is obvious that you have to get ready for whatever game you re playing but all too frequently methodical preparation is the missing ingredient in today s world of instant analysis easy access to information and glibness that sounds good at first but is unconnected with the reality at hand In *Dare to Prepare* successful people such as wine guru Robert Parker investment legend Bill Miller pianist Leon Fleisher Goldman Sachs partner Lisa Fontenelli broadcaster Bob Costas firefighter Ann Marie Tierney New York Mets manager Willie Randolph and many others share the way they apply discipline in preparing for career changing games deals meetings and interviews Cal Ripken Jr played thousands of games in the major leagues but prepared for each like it was his first NPR host Liane Hansen has interviewed countless people but approaches each interview with the same meticulous research time and time again Make sure there are no slips twixt cup and lip as you get ready for your next personal or professional challenge by daring to prepare **Finding Your Way** Walter Boston, Jr., 2010-04-30

American Jews and America's Game Larry Ruttman,2018-08-01 Most fans don't know how far the Jewish presence in baseball extends beyond a few famous players such as Greenberg Rosen Koufax Holtzman Green Ausmus Youkilis Braun and Kinsler In fact that presence extends to the baseball commissioner Bud Selig labor leaders Marvin Miller and Don Fehr owners Jerry Reinsdorf and Stuart Sternberg officials Theo Epstein and Mark Shapiro sportswriters Murray Chass Ross Newhan Ira Berkow and Roger Kahn and even famous Jewish baseball fans like Alan Dershowitz and Barney Frank The life stories of these and many others on and off the field have been compiled from nearly fifty in depth interviews and arranged by decade in this edifying and entertaining work of oral and cultural history In American Jews and America's Game each person talks about growing up Jewish and dealing with Jewish identity assimilation intermarriage future viability religious observance anti-Semitism and Israel Each tells about being in the midst of the colorful pantheon of players who over the past seventy five years or more have made baseball what it is Their stories tell as no previous book has the history of the larger than life role of Jews in America's pastime

Value Capture Selling Jean-Claude Larreche,2023-10-31 The sales book of the decade Selling Power magazine Value Capture Selling is the first book to directly address one of the most destructive shortcomings in sales organizations today Author JC Larreche's approach is so innovative that Selling Power magazine named it The sales book of the decade For years sales professionals have focused on creating value for their customers the first phase in selling However in today's fast moving world of business that is just not enough Under increased financial pressure businesses today are being pushed to move to an emphasis on the second phase of selling the capture of corporate value However as all too many business leaders are finding out to their great dismay sales professionals have not been trained in the techniques for the capture of corporate value and they are at the mercy of very well trained and tough professional buyers Value Capture Selling is the first book to address this gap It is specifically designed to provide sales professionals both veteran and new alike with a complete roadmap for

making the transition from value selling to value capture selling including Why the creation of corporate value short medium and long term is essential for the firm and its internal and external partners How to master the key drivers of corporate value profitability market share and customer satisfaction How to prepare for value capture How to frame strategies and tactics for value capture How to close deals for higher corporate value capture Value capture selling is the current challenge for corporations and sales professionals everywhere making the transition from a revenue objective to a focus on corporate value This requires a fundamental shift from a strong belief that bigger is better to a new creed that richer is better It is what JC Larreche professor emeritus at INSEAD and an expert on sustainable value creation calls the 3rd Sales Transformation In a future marked by escalating financial pressures the significance of value capture will only grow and in Value Capture Selling JC Larreche provides sales professionals everywhere with the tools they need to become masters at this new art Praise for Value Capture Selling Most sales forces focus only on revenue not value capture Larreche s book can help you make the necessary transition If you are in Sales read it because the data revolution is increasing scrutiny from Finance and others in your firm about how selling efforts build or destroy enterprise value And if you are a C Suite executive read it carefully because selling affects core elements of value creation Frank Cespedes Harvard Business School author of Aligning Strategy and Sales and Sales Management That Works Value Capture Selling is a very compelling and complete work that illustrates well the challenges of the transition from product value to corporate value both for the customer and for the supplier JC Larreche lays out a powerful framework for any sales professional anywhere to win in this new world of selling Laurent Beraza Director UK Germany France Microsoft Solutions Support Sales Value Capture Selling gives us the powerful insights required to capture more value for our company while keeping the customer at the center right where they belong Anna Campagna Sr Director Global Sales HEINEKEN
