marriage as a critical issue Writer and producer Del Shores shares the touching moment his young teenage daughter used tears and laughter to console him after the passage of Proposition 8 in California dealt a blow to the cause The People's Victory is an inspirational roadmap for anyone who has felt passionately about an issue but has questioned whether one person's contribution can make a difference These candid accounts once again prove that every movement for important social change must be built on the acts of everyday In fact that is the only way the people have ever been victorious In his introduction California Lieutenant Governor Gavin Newsom writes I hope these stories inspire you to resist to fight to win and in the end write the next stories in our continuing push for a more just and perfect union
