Jesus Christ and the Christian Character (Classic Reprint) Francis Greenwood Peabody, 2015-07-05 Excerpt from Jesus Christ and the Christian Character When one turns with this new problem to the Gospels he discovers with fresh surprise the extraordinary richness and variety of the teaching of Jesus Each period in history goes with its question to the simple record and finds an answer which seems written to meet the special problem of the time In an age of theology the Gospels were a source of theological doctrine in an age of ecclesiasticism they fortified the Church in an age of emotionalism they kindled the flame of piety The same adaptability is now discovered once more by the age of the Social Question As others have found in the teaching of Jesus the key Of doctrine or organization or religious experience so there is now delivered by the same teaching to the mind of the present age a key of the Social Question Remote from the condition of the modern world as was the life of Jesus and primarily directed as was his teaching not to social but to spiritual ends he has much to say of social duty His ethics are not individualist atomic a doctrine of the single soul but organic social a doctrine Of the common life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Character of Jesus (Classic Reprint) Charles Edward Jefferson, 2015-07-08 Excerpt from The Character of Jesus The following discourses were delivered in the Broadway Tabernacle on the Sunday evenings between January first and Easter of the winters of 1907 and 1908 twelve of them in the former year and fourteen of them in the latter They are simple studies in the character of Jesus the twofold purpose of the preacher being to incite professing Christians to a deeper devotion to their Master and to awaken in non christians a desire to know more of the founder of the Christian church and to persuade them to become his followers The congregations were composed largely of young men not a few of them being students It is in response to numerous requests of these young men that the sermons are now published No preacher speaks entirely as he writes or writes altogether as he speaks The sermons have been allowed to retain for the most part the unstudied form of extemporaneous discourse not even the repetitions being eliminated which are inevitable in a course of sermons addressed to a congregation changing from week to week Questions of authorship and text were all left untouched as having but slight interest for a majority of those who heard the sermons After a study of a con About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

Cunningham,2016-10-16 Excerpt from

The Secret of Progress Buckle¹ regarded it as clear that militarism and high intellectual development were not compatible till recently many people were prepared to believe that warfare was alien to the interest of civilised peoples and could only occur among half civilised or backward races But this war has shown that these hopes were vain and that the last result of civilisation was not to render war impossible but to give the means of carrying it out on a vastly extended scale The increase of knowledge and of power over nature and the sense of the benefits of intercourse and inter communication have not sufficed to give us any immunity from war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Man Called Jesus (Classic Reprint) John P.

Kingsland,2017-07-11 Excerpt from The Man Called Jesus IT is a matter of prime importance that the Christian should gain as true and deep an insight as he possibly can into the Character of Him whom he professes to adore and serve The goal of the Christian life is the attainment of Christlikeness But if we are to try to be like Christ we must know what He was like Nay further if we are to gain a true knowledge of God we must learn to know Him through the Man who alone fully declares Him We apprehend the Character of God truly only to the extent to which we have apprehended the Character of Jesus Christ But though the witness of the Gospels has been before the world for eighteen centuries it will hardly be seriously questioned by any thoughtful mind that we are still very far indeed from a true and thorough apprehension of Him whose life and teaching they so simply and graphically record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Faith of a Quaker (Classic Reprint) John William Graham,2017-02-06 Excerpt from The Faith of a Quaker There arise also the insistent questions which beset all mystics and which in Quakerism demanded a corporate instead of an individual answer Was the light infallible Was the claim to it an assumption of spiritual exaltation About the Publisher Forgotten Books publishes hundreds of thousands of rare and
