

To Whom It May Concern,

April 9, 2020

It is my privilege to write this recommendation for _____ I have been fortunate to coach _____ on the _____ High School cheerleading squad for _____ years now. In the time I've spent with _____ she has shown to be a young woman of character, intelligence, and talent. She displays the leadership and work ethic that every coach hopes for from their top athletes. _____ is one of the hardest working student athletes that I have worked with in my years of coaching cheerleading. She is dedicated not only to her four-time national championship winning high school cheerleading program, but demonstrates the same level of commitment to her all-star program as well. _____ leads by example and is focused and determined to become the best athlete she can. She responds well to feedback from her coaches and has taken her natural talent to the next level through her hard work and a tremendous desire to succeed.

As wonderful of a cheerleader as _____ is, she is even a finer young woman. She displays a positive attitude in the classroom and the same work ethic that has made her such a talented cheerleader has made her a strong student. _____ is kind, humble, and is willing to assist where needed. Throughout the season I have had the pleasure of watching her grow and improve tremendously as a person and as an athlete.

I strongly believe that _____ will be an asset to any program. She is talented, diligent, intuitive, dedicated, and focused in her pursuits. _____ consistently seeks out constructive feedback so she can improve her skills, which, in my experience, is a rare and impressive quality in a high school student. It is my hope that you will give _____ strong consideration as I am confident she will make you proud just as she has made her coaches proud.

Sincerely,

Cheerleading Coach

Cheerleader Recommendation Letter:

Confessions of a Rookie Cheerleader Erika J. Kendrick, 2009-03-12 A savvy young music exec for Rockstar Records Hannah Love has a glamorous apartment and a tight pack of equally fine friends But luxury and loyalty can't protect her from a broken heart courtesy of her super rich fiancé To recover Hannah accelerates her already high octane life by pursuing a fantasy she's had since childhood to become an NBA cheerleader for the Chicago Diamonds As she juggles promoting the hottest singer on the rise dodges advances from Rockstar's ultra slick VP and puts her body and her will to the test during cut throat tryouts for a spot on the Diamond Dolls squad she receives the full attention of the team's star player Max Knight Though the Dolls are strictly forbidden to date players the heat between Hannah and Max builds on the sidelines But as catty cheerleaders plot against her and her boss at the record company secretly negotiates a merger that could leave her jobless Hannah discovers that it may take much more than the lust for a hot man to hold her steady It may take his love

Cheerleader Handbook Carolyn Frances Bruce, 1960 Study Guide for the Board of Certification, Inc., Athletic Trainer Certification Examination Susan Rozzi, Michelle Futrell, 2019-10-24 A complete roadmap to success on the Board of Certification Athletic Trainer Certification Examination This popular study guide delivers everything students need to sit for the exam with confidence *In the Medium* Shannon Gill Burnett, 2012-03-07 Susie and Allison were best friends They planned to grow old together two grumpy old ladies on a crooked front porch but fate had other plans Allison fell ill with cancer Although they both knew the prognosis was not good they pressed forward with treatments and hope Hope sustained them for a while but the treatments didn't work Susie was forced to watch her best friend sicken suffer and ultimately die After losing Allison Susie feels as though she's losing her mind They call it a nervous breakdown and Susie is happy to believe the doctors and move on except something has changed Somehow Susie can hear and communicate with Allison She suspects she really might have gone mad but soon the two friends realize they've bridged a miraculous gap between the living and the dead Together they travel through the afterlife on either side of the divide Through Allison's observations the two brave friends are able to seek out the meaning of their lives solve the mystery of death and forge a friendship that will last until eternity Cancer took Allison away hope returned her to Susie Their voyage is one of wonder and self discovery but most of all it is a story of devoted and never ending love *Lines of Scrimmage* Joe Oestreich, Scott Pleasant, 2015-08-14 As in many small towns in the South folks in Conway South Carolina fill the stands on fall Fridays to cheer on their local high school football squad In 1989 with returning starter Carlos Hunt at quarterback and having finished with an 8-4 record in 1988 hopes were high that the beloved Tigers would win their first state championship But during spring practice Coach Chuck Jordan who is white benched Hunt who is black in favor of Mickey Wilson an inexperienced white player Seeing this demotion of the black quarterback as an example of the racism prevalent in football generally and in Conway specifically thirty one of the team's thirty seven black players under the guidance of H H Singleton pastor of Cherry Hill Missionary

Baptist Church and president of the local NAACP boycotted the team in protest. The season long strike severed the town along racial lines as it became clear that the incident was about much more than football. It was about the legacy of slavery and segregation and Jim Crow and other points of tension and oppression that many people in Conway and the South had wrongly assumed were settled. While the 1989 season is long over the story reverberates today. Chuck Jordan is still coaching at Conway High and he's still without that state championship. Meanwhile Mickey Wilson is now coaching Conway's fiercest rival the Myrtle Beach Seahawks. In the annual Victory Bell Game between Conway and Myrtle Beach the biggest contest of the year for both teams a veteran coach and his young protégé compete against each other against the backdrop of a racial conflict that bitterly divided a small southern town. **Promotion and Tenure Confidential** David D.

Confessions of a Teenage Leper Ashley Little, 2018-09-11 Cheerleading mean girls shopping and leprosy High school is about to get complicated. For fans of *Before I Fall* and *Exit Pursued By a Bear* Abby Furlowe has plans. Big plans. She's hot she's popular she's a cheerleader and she's going to break out of her small Texas town and make it big. Fame and fortune adoration and accolades. It'll all be hers. But then she notices some spots on her skin. She writes them off as a rash but things only get worse. She's tired all the time her hands and feet are numb and her face starts to look like day old pizza. By the time her seventeenth birthday rolls around she's tried every cream and medication the doctors have thrown at her but nothing works. When she falls doing a routine cheerleading stunt and slips into a coma her mystery illness goes into overdrive and finally gets diagnosed. Hansen's Disease aka leprosy. Abby is sent to a facility to recover and deal with this new reality. Her many misdiagnoses mean that some permanent damage has been done and all of her plans suddenly come tumbling down. If she can't even wear high heels anymore what is the point of living. Cheerleading is out the window and she might not even make it to prom. PROM. But it's during this recovery that Abby has to learn to live with something even more difficult than Hansen's Disease. She's becoming aware of who she really was before and what her behavior was doing to others. Now she's on the other side of the fence looking in and she doesn't like what she sees. Darkly comic but ultimately touching. *Confessions of a Teenage Leper* is an ugly duckling tale with a surprising twist. *Pink Boots and a Machete* Mireya Mayor, 2011-03-01 A quick examination of her roots and one may never have guessed that Mireya Mayor would become the woman she is today. Yet against all odds this self-professed former girly girl daughter of overprotective Cuban immigrants blossomed from NFL cheerleader to Fulbright Scholar to field scientist and ultimately quintessential adventurer. Now with more than a decade's worth of thrilling exploits under her belt Mayor recounts her life in a riveting awe inspiring new book. In a series of short chapters she relives each exhilarating event with uncanny charm and self-deprecating humor. Readers have the rare

opportunity to follow the renowned primatologist around the globe as she unlocks the mysteries of the natural world and endeavors to save some of the planet's rarest creatures Says Mayor I love the adventure the exploration the scientific discovery and the documentation But really what drives me is the thought that future generations my own children and their children can one day learn to appreciate them like I do Throughout this unforgettable volume she describes in stunning detail how she survived a plane crash slept in jungles teeming with poisonous snakes dove with hungry great white sharks rappelled down a 14 000 foot sinkhole in search of frogs draws blood from critically endangered lemurs was charged by an angry silver backed gorilla was chased by elephants and the list goes Suffice it to say Mireya Mayor has seen more in her 30 odd years than most of us will see in a lifetime Her plucky spirit brilliance in the face of calamity and sheer will to succeed make this a classic mission book and a thoroughly breathtaking read
