China As A Model Of Development:

China As a Model of Development Al Imfeld, 1977-12-01 **Chinese Models of Development** Tse-Kang Leng, Yu-Shan Wu, 2014-11-20 Discussion of the Chinese Model abounds with the rise of China This volume analyzes the Chinese case in a theoretical framework provides an evolutionary perspective and compares it with other models of development Instead of focusing on one specific case the book's contributors shed light on the application of theories of international relations comparative politics and development studies to the topic under deliberation This book reflects that the uniqueness of the Chinese model should also be put in an historical and evolutionary context It also provides insights into comparisons with other models of development such as the East Asian model and experiences of the former Soviet Union The authors in the book argue that while globalization constrains state power it may also open new windows of accommodation and adjustments Linkages between the domestic dynamics of development and external forces of change become pertinent in understanding the Chinese models of development *China: A New Model for Growth and Development* Ross Garnaut, Cai Fang, Ligang Song, 2013 The Chinese economy is undergoing profound change in policy and structure The change is necessary to increase the value of growth to the Chinese **Uniqueness Of China's Development Model, The: 1842-2049** Paul Kwok-wah Yip, 2012-07-25 The book discusses the development model of China which has now overtaken Japan as the world's second largest economy This remarkable economic achievement has not followed the Western world's favorite developmental tools of freedom democracy and a market driven economy but rather China's unique model of one party authoritarian rule with a mixed economy The Middle Kingdom's way of development has largely questioned the West's core values freedom and democracy The book argues that the model is based on the country's 3 000 year old civilization forged by the efforts innovations trial and error process of several recent generations and guided by the Chinese Communist Party in the past 60 years **In Search of China's Development Model** S. Philip Hsu, Suisheng Zhao, Yushan Wu, 2011 This text examines the development model that has driven China's economic success and looks at how it differs from the Washington Consensus The contributors define the dynamics and distinctive features of the economic political legal and social dimensions of China's development model China Ross Garnaut, Ligang Song, Cai Fang, 2013-07-01 The Chinese economy is undergoing profound change in policy and structure The change is necessary to increase the value of growth to the Chinese community and to sustain growth into the future The changes are so comprehensive and profound that they represent a new model of Chinese economic growth This book describes the replacement of an old uninhibited investment expansion model of growth by transition to modern economic growth and provides insights into recent changes and where they are likely to lead These include requirements for building the new institutions including its public finances for future growth adjustments in its savings industry and agriculture changes in its demographic structure business environment and pattern of rural urban migration prospects for green growth its energy policy trilemma and the climate change mitigation strategy and changes for

China's interaction with the international economy through its overseas investment and trade in high tech products China's adoption of a new model of economic growth is of immense importance to people in China and everywhere This book is an early attempt to take a close look at many of the features of the new model *Study on the China Model* Jinquan Jiang,2009
