Ruth Matthew Henry, 2015-06-27 Matthew Henry 1662 1714 was a British Non Conformist minister and author Henry's commentaries are primarily exegetical dealing with the scripture text as presented with his prime intention being explanation for practical and devotional purposes While not being a work of textual research for which Henry recommended Matthew Poole's Synopsis Criticorum Henry's Exposition gives the result of a critical account of the original as of his time with practical application It was considered sensible and stylish a commentary for devotional purposes Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work with Whitefield reading it through four times the last time on his knees Spurgeon stated Every minister ought to read it entirely and carefully through once at least Perhaps his best known quotation is about the relationship between men and women from the story of the creation of Eve in the Book of Genesis the woman was made of a rib out of the side of Adam not made out of his head to rule over him nor out of his feet to be trampled upon by him but out of his side to be equal with him under his arm to be protected and near his heart to be beloved

Zondervan NIV Matthew Henry Commentary Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry's day have taken on different meanings today In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew

Henry Commentary is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. Easily misunderstood words have been replaced with modern ones while keeping Henry's style. Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume, here is a wealth of exposition, metaphors, analogies, and illustrations ideal for personal devotions, Bible study, sermon, and lesson preparation. **Matthew Henry's Concise Commentary on the Bible**,

Matthew Henry's Commentary on the Whole Bible: Volume II-I - Joshua to Second Samuel Matthew Henry, **Judges and Ruth** Matthew Henry, 1975* *Matthew Henry: The Bible, Prayer, and Piety* Paul Middleton, Matthew A.

Collins, 2019-05-30 Three hundred years after his death, Matthew Henry (1662-1714) remains arguably the best known expositor of the Bible in English due largely to his massive six-volume *Exposition of the Old and New Testaments*. However, Henry's famous commentary is by no means the only expression of his engagement with the Scriptures. His many sermons and works on Christian piety, including the still popular *Method for Prayer*, are saturated with his peculiarly practical approach to the Bible. To mark the tercentenary of Henry's death, Matthew A. Collins and Paul Middleton have brought together notable historians, theologians, and biblical scholars to celebrate his life and legacy. Representing the first serious examination of Henry's body of work and approach to the Bible, *Matthew Henry: The Bible, Prayer, and Piety* opens a scholarly conversation about the place of Matthew Henry in the eighteenth-century nonconformist movement, his contribution to the interpretation of the Bible, and his continued legacy in evangelical piety.
