learners who aspire to enhance their English and use professional business vocabulary at the workplace Moreover it is convenient to learners who have no structure to business language as well

Professional and Business

Communication Peter Hartley,Susie Marriott,Helena Knapton,2023-05-30 This new edition of Professional and Business Communication is an ideal core communications textbook for students on business management and professional courses preferring a practice focused and colloquial approach that combines accessibility with key theory Techniques and processes detailed in the book include planning and preparing written communication effective structures in documents diverse writing styles managing face to face interactions using visual aids delivering presentations and organising effective meetings The third edition of this popular text has been thoroughly revised and updated to cover the dramatic shifts in communication practices that have been driven by remote working and increased technology use It explores the current and likely future impact of these changes on communication practices both for good borderlessness flexibility and bad isolation burnout fatigue and looks at contemporary trends and future developments This edition has also been revised to include even more examples cases tasks activities and discussion topics with pedagogical features designed to aid international students This popular text and the accompanying website will continue to support students on business management and professional courses for years to come

Strategic Internal Communication Susanne Dahlman,Mats Heide,2020-10-27 What is internal communication What role does it play in contemporary organizations What are the consequences of malfunctioning internal communication There are many aspects of internal communication work related social formal informal vertical horizontal between coworkers between coworkers and managers communication before and under organizational changes internal crisis communications and so forth We think of different forms of communication channels such as intranet staff magazines electronic billboards and internal television This book interconnects these different parts and emphasizes the strategic value and importance of internal communication We understand internal communication as an unused capital with a large potential for organizational success Further we understand internal communication as a basic prerequisite of organizations that is performed by all members of an organization managers coworkers and communication professionals Traditionally there has been too much emphasis on the work and function of communication professionals when internal communication is discussed but most of the communication value is actually produced by managers and coworkers However communication professionals are the communication experts in organizations that strategically facilitate the organization This book is based on a cooperation between Susanne Dahlman senior communication consultant and Mats Heide Professor in Strategic Communication at Lund University Hence this book has a unique approach that covers both practical and academic aspects of internal communication This book is a response to the demand for a book that covers the strategic aspects of internal communication in practice and as such is ideal reading for both practitioners and advanced students
