God's Gateway and the Devil in the Dark J. R. Grams, 2025-03-14 In this book are actual events that took place within my life When I was about four or five years old I had a good normal life The only abnormal thing was that I could see things in the dark and it goes from there What you can expect to see within my years of living is happiness depression love violence euphoric bliss and complete and utter bloodcurdling terror where you cannot sleep without having the lights on It shows you insight on mental disorders and how any form of addiction can begin to pull you down in the depths This book also shows the power of spiritual energy and how it affects every little thing in our everyday lives It's a link between reality and the spiritual realm The unreal becomes reality right before your eyes and it was everything witnessed through my eyes that came true Every question I ever asked about life was answered I survived and want to share the memories I have of when I walked on a journey with God and the devil himself into the unimaginable
