Comanche Moon Lonesome Dove Story 2:

To Be Continued Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued Second Edition* maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *Western Movie References in American Literature* Henryk Hoffmann, 2012-10-19 References to western movies scattered over some 250 works by more than 130 authors constitute the subject matter of this book arranged in an encyclopedic format. The entries are distributed among western movies, television series, big screen and television actors, western writers, directors, and miscellaneous topics related to the genre. The data cover films from *The Great Train Robbery* 1903 to *No Country for Old Men* 2007 and the entries include many western film milestones from *The Aryan* through *Shane* to *Unforgiven*, television classics *Gunsmoke*, *Bonanza*, and great screen cowboys of both A and B productions. *Popular Contemporary Writers* Michael D. Sharp, 2005-10 Ninety-six alphabetically arranged author profiles include biographical information, critical commentary, and illustrations. **Book Review Digest**, 1999 *Latin in Modern Fiction* Henryk Hoffmann, 2021-07-06 The goal of this book is to prove that Latin is not a dead language by demonstrating how prevalent and strong it still is in modern Western culture. In order to do so, the author, an English philologist with a long experience as a Latin educator, catalogues, explains, and interprets Latin quotations and references in a multitude of twentieth and twenty-first century literary works by primarily mainstream authors from Aldous Huxley to Saul Bellow to John Irving, crime mystery writers from Raymond Chandler to Elizabeth George to Dennis Lehane, and frontier western novelists from Emerson Hough to Larry McMurtry. The three areas of fiction constituting the main scope of the book indicate the author's major interest and preference as well as the subject matter of his extensive research, both prior and current, the former related to his already published books. The writers offering the most impressive contributions to the thesis are featured in the three parts of the main body; those with lesser input are listed in the Appendix. The prospective readers of the book include all Latin students and educators at the secondary and college levels worldwide. *Words on Cassette*, 2002 R R Bowker Publishing, 2002

Telegraph Days Larry McMurtry, Annie Proulx, 2006 Recounts myths of the closing decades of the western frontier viewed through the eyes of Nellie Courtright and her brother Jackson, orphans that make good in the town of Rita Blanca in what would become the Oklahoma Panhandle. *The Wandering Hill* Larry McMurtry, 2010-06-01 The second volume in Larry McMurtry's four-part historical epic featuring the Berrybender family as they continue their journey through the West during the 1830s. In *The Wandering Hill* Larry McMurtry continues the story of Tasmin Berrybender and her eccentric family.

in the still unexplored Wild West of the 1830s Their journey is one of exploration beset by difficulties tragedies the desertion of trusted servants and the increasing hardships of day to day survival in a land where nothing can be taken for granted By now Tasmin is married to the elusive young mountain man Jim Snow the Sin Killer On his part Jim is about to discover that in taking the outspoken tough minded stubbornly practical young aristocratic woman into his teepee he has bitten off more than he can chew Still theirs is a great love affair and dominates this volume of Larry McMurtry s The Berrybender Narratives in which Tasmin gradually takes center stage as her father loses his strength and powers of concentration and her family goes to pieces stranded in the hostile wilderness The Wandering Hill which refers to a powerful and threatening legend in local Indian folklore is at once literature on a grand scale and riveting entertainment by a master storyteller What Do I Read Next?
