The Common Core in Action Deborah J. Jesseman, 2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the Common Core State Standards CCSS and their implications to programming and

instruction as well as to collection development planning Using lesson plans originally published in School Library Monthly this title builds upon them adding many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the standards The book begins with an overview of the CCSS what they are how are they different from the content standards and what the implications are for schools where the state has adopted them including what the CCSS mean for collection development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use Take Action! Lori Langer de Ramirez, 2009 Take Action Lesson Plans for a Multicultural Classroom is for all teachers striving to meet the needs of students in today s diverse K 12 classrooms Take Action offers 27 practical step by step multicultural lesson plans organized around seven microcultures culture and identity race and ethnicity abilities and disabilities religion socioeconomics and class language and gender and sexuality Each chapter includes three lesson plans at three different grade levels elementary middle and secondary Each lesson plan is presented with an accessible and predictable format outlines the content areas addressed provides a recipe style list of materials for all the activities in the lesson plan and action projects and so much more Connections to national professional standards and benchmarks for K 12 education as outlined by the Mid continent Research for Education Learning are also included in every lesson plan FEATURES Lesson Plan Video the Take Action DVD located in the front of the book provides readers with 9 video clips of Standards Matrix A Lesson Preparation for the Teacher section provides activities every teacher should do prior to working on any of the lessons that follow This section includes One Teacher s Reflection These are stories written by teachers who reflect on specific incidents related to the chapter topic These stories come from their own classroom and are meant to stimulate thinking about the connection between theory and practice Teacher Action Project These teacher action projects are meant to inspire deeper more global connections between the teacher and the chapter topic Teachers might be prompted to visit other classrooms other schools or other communities The projects are meant to expose teachers to the chapter topics in a more visceral way than if the preparation had only been through reading Suggested Readings and Resources This section provides the teacher with further reading materials websites and references extending the action projects by providing teachers with more tools for developing further lessons and projects for their own students FULL LESSON PLANS Three complete lesson plans in each chapter provide novice and experienced teachers with step by step lesson plans Presenting a predictable and accessible format each lesson plan includes the following information Grade levels Lessons are divided among three categories Elementary K 5 Middle School 6 8 and High School 9 12 lessons with one example of each level provided for each topic chapter Though teachers should feel comfortable adapting the lessons to work in their own school context Content areas addressed A list of subject or content

areas that are touched upon in the lesson and or action project Topic A brief description of the main topic or topics to be addressed in the lesson Rationale for Using This Lesson This section seeks to answer the why bother question when deciding what curriculum to include in one s class It provides a sense of the importance of the topic of the lesson Background Information Provides the teacher and the students with some necessary information about the main topic s in the lesson Goals Aims Gives the teacher a sense for what s he can expect students to be able to accomplish or do during the lesson and or as a result of the action project Connections to Standards Links to national standards for all the content areas that are included in the lesson The national standards used in the book were culled from national professional organizations specific to each subject area as well as the excellent compendium of content standards and benchmarks for K 12 education located on the McRel Mid continent Research for Education and Learning website www.mcrel.org Materials A recipe style list of the materials needed to do all of the activities in the lesson and action project A step by step Activity Includes description of the tasks or activities in the lesson Action project A task that helps translate the topic of the lesson into a project that helps benefit the class the school or the community Reflection Questions for the teacher to reflect on after having presented the lesson to students These questions may serve as prompts for discussion with colleagues or as topics for reflective journal entries Resource Page Photocopiable handout pages that are connected to the lesson
