

Heart

What is Heart

a pumping machine

merely a size of a fist!

But if you play with it

it can make your entire life twist,

As if it fails

all your efforts to revive goes in vain,

So keep it Happy, Healthy and Cheerful

and see how your life turns colorful: -)

We all know how important an organ it is

We have to win hearts to rise in life

Be it your girl-friend or your wife

Mending a broken heart is always wise: -)

Happy the man, whose heart is healthy

Always will he be fit, fine and wealthy.

The Poem of Life Jose Mendoza "The Gardener",2013-10 Dear Reader Life love and hope have a story and each story has an explanation The answer to the questions we might encounter in the journeys of our lives lies beneath the story behind the question This is the pattern to find a truthful explanation regarding anything in life This is a poetic self help book written by an ordinary gardener who came to America as a teenager searching for refuge and a better future When reaching his destiny he not only fulfilled his dream but also found something even greater that will bless our hearts The Poem of Life is life itself telling us its story and love itself teaching us how to love It is a forgotten treasure chest full of patterns to help us understand our complicated world It is one of the most intelligent insights into humanity The gift of life is to be a human being and our gift is even greater when we act like humans
