Combine 2 Pictures Online:

Creating Art for All Ages Frances Flicker, Jacqueline G. Van Schooneveld, Jeanne Richins, 2020-10-23 This is the third book in the series Creating Art for All Ages The series takes students on an interdisciplinary cross content journey Each book provides experiences in language arts social studies math and art as the students investigate ancient and modern civilizations Industry and Imagination in Ancient and Modern Civilizations is the third book of the series and examines the generations of the Industrial Revolution society during WWI and WWII Modern and Contemporary times During the era of the Industrial Revolution the role of the artist transformed as the patronage changed and advancements in photography were able to portray likenesses The artist sought new avenues by using art as an expressive tool As time progressed artistic expression navigated the art into innovative imaginative and unique styles Art became whatever the artist intended it to be

Extremely Online Taylor Lorenz, 2023-10-03 Taylor Lorenz reveals how online influence came to upend the world demolishing traditional barriers and creating whole new sectors of the economy Lorenz shows this phenomenon to be one of the most disruptive changes in modern capitalism By tracing how the Internet has changed what we want and how we go about getting it Lorenz unearths how social platforms power users radically altered our expectations of content connection purchasing and power Lorenz documents how moms who started blogging were among the first to monetize their personal brands online how bored teens who began posting selfie videos reinvented fame as we know it and how young creators on TikTok are leveraging opportunities to opt out of the traditional career pipeline It s the real social history of the Internet Emerging seemingly out of nowhere these shifts in how we use the Internet seem easy to dismiss as fads However these social and economic transformations have resulted in a digital dynamic so unappreciated and insurgent that it ultimately created new approaches to work entertainment fame and ambition in the 21st century Extremely Online is the inside untold story of what we have done to the Internet and what it has done to us
