Cold Blooded Killers:

Cold Blooded Murder Brad Hunter,2021-07-08 Murder is the most vile crime known to man It can be triggered by love or money or sex Those are the three big ticket items for homicide But people are strange They will kill for the most obscure and ridiculous of reasons In 30 years covering murder I have discovered each one has its own flavour Cops and friends can be stunned by the evil lurking within a seemingly ordinary man or woman In this collection of some of the most memorable cases I ve reported on there are serial killers rich kid monsters football stars and wives in pursuit of hormone charged hijinks The very rich and the very poor Successful lawyers and hotel executives Southern belles who could melt butter with a come hither wink and a sexy drawl Daddy s girls with gleaming smiles good marks and possessed by the devil These are stories of American crimes and they stretch from coast to coast You will find cheating husbands and wives so desperate for love that they ll kill for it When the mob kills it s never personal It s strictly business With the murderers in Cold Blooded Murder it s ALWAYS personal *Cold Blooded Killers* R. J. Parker,2013-07-03 WARNING This book is not for the faint of hearts Due to explicit scenes of violence and murder it is recommended for adults only In this riveting box set an award winning Canadian Author delves into the gritty gruesome details of the most notorious spree killers school shooters and serial killers the world has ever seen Read how Edmund Kemper decapitated his mother s head used it as a dartboard and then cut out her voice box and placed it in the garbage disposal Cold Blooded Killers is a blood curdling collection of some of the most famous and the least known multiple murder cases I primarily bought this book as a source file for my own writing as I find the information to be well informed and easy to read The very human stories in this massive collection are filled with the tragedies of the victims encounters with the abnormal criminals who most of us thankfully avoid in our day to day lives Some very eclectic selections and some well known cases are presented to us by a writer who is always striving to advance in his True Crime expositions The thing I like most about this author s true crime writing is that the victims are never forgotten and the murderers are not sensationalized but portrayed for what they really are sociopathic cold blooded killers William Cook They will feel that their own lives are over and aim to take as many people with them as they can Once their killing spree is over they most often either commit suicide or force the police to use deadly force against them in other words suicide by cop
