[Constructing Blue Collar Leaders in a White Collar World](#) LaMar Herndon, 2018-03-06 In *Constructing Blue Collar Leaders in a White Collar World* Dr LaMar Herndon considers a group of leaders often overlooked and occasionally denigrated the bivocational pastor *Constructing Blue Collar Leaders in a White Collar World* integrates important theoretical leadership concepts with spiritual and practical realities Dr Herndon explores important topics such as

trends and issues facing the global church and its leaders leadership models values and ethics character and integrity cultural effects creativity and innovation reverse mentoring and strategic planning This book is a profoundly honest hands on guide to what constitutes a true leader serving as a bivocational minister Dr Gary Oster Regent University School of Business whether bivocational or not Rev Jewel D Williams M R E Church of God Anderson IN Author of Fearfully and Wonderfully Made Living our Theology and the Path of a Preacher **The Nexus** Janis Jablecki, Dr. D. Edgar Guthrie, 2013-05-31 The nexus between best practices and student achievement is demonstrated from the GRASP Project discovering how some California charter schools with higher academic achievement showed evidence of a greater number of best practices as measured by performance governance education program human resources business practices and facilities the education program infrastructure Surprisingly technology did not show a correlation for reasons explained in the nexus Moreover the nexus is bolstered by administrative innovation and competition theory serving as foundations for The Nexus The Nexus also introduces strategies to implement best practices and process improvements through Lean Six Sigma methods and strategic and action planning The search for the next practice designed to improve education programs is perpetual The significance to accreditation is profound as student achievement measures will require metrics paced to reform movements such as Common Core Standards derived from international settings By the same token quality education will become clearer as edification through international benchmarks such as ISO 9000 will promote higher standards of excellence The Nexus conclusions have relevance to all school systems since implementing best practices can elevate student achievement The reason is clear the more a school system operates efficiently through best practices and process improvements the more time is available to the school leadership to devote attention to academic achievement as the ultimate product of education And for those invested in school improvement a higher value added education with a higher return on investment *So You Want to Be a Strategic Leader* Dr. Larry F. Ross Sr., 2008-03-11 Many people today are writing about and seeking to understand the concept and practices of leadership There are a great many reasons for the popularity of the topic including the fact that organizations are faced with challenges like never before Some of these challenges might include the ability to align the organization to better support the mission or upgrading technology to enhance production Nevertheless the concept of leadership is relevant to any aspect of ensuring effectiveness in the marketplace for organizations and in managing change This book represents my experience of 25 plus years of supervising managing and leading folks in the public sector military and Federal government learning about strategic leadership in the military and more recently my doctoral program It centers on strategic leaders the essentials that are needed for them to be effective and successful in organizations It argues that the strategic leader must use the competencies of strategic leadership to influence the future environment technology processes structure strategy and the workforce with the understanding that these are just some of the components that affect the successful operation of an organization *360° Global Kingdom Leadership* Ulf Spears DSL, 2023-07-06 No information

available as of the moment *Coaching Leadership Families* Dsl Ulf Spears, 2012-11 This book examines the leadership family model as a key coaching and mentoring tool for the multiplication of healthy strong families in the twenty first century This book introduces the leadership family model as a four step process individual male and female leadership leadership couples leadership families mentor coach other leadership families In addition this book highlights the third and fourth steps of the leadership family model leadership families mentoring coaching leadership families by defining explaining and suggesting ways to coach and mentor families locally and globally Primary and secondary research was used in this book as well as life experience The results indicate there is evidence leadership families do exist and the leadership family model should be considered as a viable coaching and mentoring tool for multiplying healthy strong families in the twenty first century In addition the results suggest families need a roadmap to health strength and growth The leadership family model can provide that roadmap *Mission Partnership in Creative Tension* Samuel Cueva, 2015-04-14 Samuel Cueva has refined his concept of partnership in mission by advocating the use of reciprocal contextual collaboration in this important contribution to scholarly reflection on contemporary missiology Referencing historical theological and functional aspects of how mission has been carried out as well as analyzing its impact on the evangelical movement the author identifies that mission always develops with positive and negative tensions Emphasizing an understanding of current missions which include traditional networking and emergent models and how they can be combined interconnected and interchanged the author proposes a fresh model that ensures the suitability for every mission context
