The Ecumenical Councils of the Catholic Church Joseph F. Kelly, 2009-09-01 There have been twenty one universal gatherings ecumenical councils of the Catholic Church The first opened in 325 the last closed in 1965 and the names of many ring out in the history of the church Nicea Chalcedon Trent Vatican II Though centuries separate the councils each occurred when the church faced serious crises sometimes with doctrinal matters sometimes with moral or even political matters and sometimes with discerning the church s relation to the world The councils determined much of what the Catholic Church is and believes Additionally many councils impacted believers in other Christian traditions and even in other faiths In this accessible readable and yet substantial account of the councils Joseph Kelly provides both the historical context for each council as well as an account of its proceedings Readers will discover how the councils shaped the debate for the following decades and even centuries and will appreciate the occasional portraits of important conciliar figures from Emperor Constantine to Pope John XXIII

Congregational Song in the Worship of the Church William L. Hooper, 2020-03-20 This book is a study of how congregational song developed and has been used in the worship of Western churches in general and specifically churches in the United States Beginning with the worship of ancient peoples the Hebrews and early Christians and continuing to the present the author examines historically how song has been and is used as an intentional sacred ritual action like prayer or Scripture reading Written primarily as an introductory text for college and seminary students the overall goal is to make a

The Lion of Judah Rabbi Kirt A. Schneider,2019-01-08 If Jesus is a Jew why is there a wedge between Christianity and Judaism If Jews and Christians both believe in the same God why is there such division Why is history littered with deathly accounts of this division from the early Jewish persecution of Christians to the Crusades slaughtering of Jews The Lion of Judah unpacks the roots of this division showing how jealousy theology the law and the integration of Gentile believers into what was once a predominantly Jewish early church contributed to the schism It then goes on to reveal how Jesus magnificently fulfilled every word in the Bible Readers will discover why the Lion of Judah is the rightful Lord and King of all people Jews Christians Muslims Buddhists Sikhs atheists and the rest of creation This book will help Christians understand the history of Christianity and Judaism get into greater alignment with God s plan of redemption be better equipped to share the gospel with Jewish people and become more sensitive to and appreciative of their Hebraic heritage

The Logic of Evangelism Michael J. Gehring,Andrew D. Kinsey,Vaughn W. Baker,2019-02-14 The publication of William J Abraham s *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God s reign Combining theological insight and historical analysis Abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how *The Logic of Evangelism* remains a key text into the twenty first century

For Him Who Has Eyes to See Edmund J. Rybarczyk,2016-09-30 Too many Christians are afraid of beauty This fear disconnects these Christians from their larger culture a culture that is increasingly visual increasingly aware of the presence and power of images and more commonly fascinated by the power of beauty and form This historical theological overview presents the thought of ten theologians and one philosopher in an attempt to give Christians helpful vocabulary concerning beauty and aesthetics It is time to use beauty and aesthetics for the mission of Christ And yet rather than simply parrot the larger post Christian culture Christians and churches need to employ beauty and aesthetics in a manner that echoes God s own revelation creation and redemption through Jesus Christ We need to develop a sensitivity that can perceive beauties ignored We need theological framing that both respects the glory of God s handiwork and keeps it from becoming idolatrous We need to live with wonder for the bounty that routinely surrounds us In short we need eyes to see
