Imperialism J. A. Hobson, 2017-09-18 Excerpt from *Imperialism A Study* In Part I The economic origins of Imperialism are traced with such statistical measurements of its methods and results as are available Part II Investigates the theory and the practice of Imperialism regarded as a mission of civilisation in its effects upon lower or alien peoples and its political and moral reactions upon the conduct and character of the Western nations engaging in it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Imperialism Harry Magdoff, 1978 This volume contains a series of essays aimed at illuminating the theory history and roots of imperialism which extend the analysis developed in Magdoff's *The Age of Imperialism*

Imperialism J. A. Hobson, 2005-09-01 In his Preface to the 1902 first edition of *Imperialism A Study* imperial critic J A Hobson demonstrates his prophetic talents by noting just as the Victorian age was ending and World War I was brewing that Imperialism has been adopted as a more or less conscious policy by several European States and threatens to break down the political isolation of the United States Though the book speaks mostly of British imperialism of the period Hobson inevitably explores the general principals and hidden motives of imperialist policy Hobson covers the commercial value of imperialism imperialism as an outlet for population economic parasites of imperialism imperialist finance moral and sentimental factors and much more With imperialism again a hot topic in the political arena Hobson's treatise continues to lend invaluable necessary insight into a complex ideology

British writer JOHN ATKINSON HOBSON 1858 1940 was an historian and economist as well as a popular lecturer on the topics His other books include *The Evolution of Modern Capitalism* 1894 *The Economics of Distribution* 1900 *The Economics of Unemployment* 1922 and the autobiographical *Confessions of an Economic Heretic* 1938

The Colonial Period (Classic Reprint) Charles McLean Andrews, 2015-07-12 Excerpt from *The Colonial Period* No attempt has been made in this volume to write a history of the individual colonies or to present in any form a narrative of the events of colonial history Many familiar details have been omitted and all military undertakings in which the colonists were engaged have been passed over with very little comment In dealing with colonial history in general three factors stand out for conspicuous treatment the mother country the colonies and the relations between them It has been customary in the past when writing of the colonial period of American history to minimize the importance of the first and last factors and to lay stress at least until the period of the Revolution is reached upon the colonies their institutions and life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic

books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works On Colonialism (Classic Reprint) Karl Marx, 2015-07-07 Excerpt from On Colonialism In Shanghai the terror is extreme Gold has advanced upward of 25 per cent being eagerly sought for hoarding silver has so far disappeared that none could be obtained to pay the China dues on the British vessels requiring port clearance and in consequence of which Mr Alcock has consented to become responsible to the Chinese authorities for the payment of these dues on receipt of East India Company's bills or other approved securities The scarcity of the precious metals is one of the most unfavourable features when viewed in reference to the immediate future of commerce as this abstraction occurs precisely at that period when their use is most needed to enable the tea and silk buyers to go into the interior and effect their purchases for which a large portion of bullion is paid in advance to enable the producers to carry on their operations At this period of the year it is usual to begin making arrangements for the new teas whereas at present nothing is talked of but the means of protecting person and property all transactions being at a stand If the means are not applied to secure the leaves in April and May the early crop which includes all the finer descriptions both of black and green teas will be as much lost as unreaped wheat at Christmas About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Empire and its Critics, 1899-1939 Peter Cain, 2022-01-26 The eight books reprinted in this set played an important role in defining attitudes and expectations about imperialism on the British Left in the twentieth century They are vital in understanding the transition from the liberal anti imperialism of the nineteenth century to the more overtly socialist critiques of the twentieth
