Becoming an African Diaspora in Australia F. Ndhlovu, 2014-07-08 *Becoming an African Diaspora in Australia* extends debates on identities cultures and notions of race and racism into new directions as it analyses the forms of interactional identities of African migrants in Australia It de naturalises the commonplace assumptions and imaginations about the

cultures and identities of African diaspora communities and probes the relevance and usefulness of identity markers such as country of origin nationality ethnicity ethnic heritage language and mother tongue Current cultural frames of identity representation have so far failed to capture the complexities of everyday lived experiences of transnational individuals and groups Therefore by drawing on fresh concepts and recent empirical evidence this book invites the reader to revisit and rethink the vocabularies that we use to look at identity categories such as race culture language ethnicity nationality and citizenship and introduces a new language nesting model of diaspora identity This book will be of great interest to all students of migration diaspora African and Australian studies *Researching Education Policy, Public Policy, and Policymakers* Dan Gibton, 2015-10-05 *Researching Education Policy Public Policy and Policymakers* is a theoretical and hands on practical guide to conducting qualitative research on education policy and public policy with an emphasis on studies that involve senior participants and high status government and non government organisations Building on over a decade of extensive experience in qualitative research on education policy among the most senior policymakers this book explores and illustrates successful approaches to working with senior policymakers through examples from both the UK and Israel Whilst policy studies are traditionally either theoretical or quantitative this book explains the theory methodology and ethics of harnessing qualitative methods to the study of senior policymakers and their settings Key topics include Designing and planning the qualitative policy study Document analysis as a policy research tool Interviewing policymakers and observing policy Mapping qualitative policy analysis methods Writing policy reports Ethics and trust This practical guide built upon a sound theoretical framework will prove both inspirational and helpful to academic and professional researchers across all disciplines involving public policy **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 **The Ashgate Research Companion to Anthropology** Andrew J. Strathern, 2016-03-03 This companion provides an indispensable overview of contemporary and classical issues in social and cultural anthropology Although anthropology has expanded greatly over time in terms of the diversity of topics in which its practitioners engage many of the broad themes and topics at the heart of anthropological thought remain perennially vital such as understanding order and change diversity and continuity and conflict and co operation in the reproduction of social life Bringing together leading scholars in the field the contributors to this volume provide us with thoughtful and fruitful ways of thinking about a number of contemporary and long standing arenas of work where both established and more recent researchers are engaged The companion begins by exploring classic topics such as Religion Rituals Language and Culture Violence and Gender This is followed by a focus on current developments within the discipline including Human Rights Globalization and Diasporas and Cosmopolitanism It provides an interesting and challenging look at the state of current thinking in anthropology serving as a rich resource for scholars and students alike
