counseling program to ensure college and career readiness for all K 12 students Diane Smith School Counselor Smithport Area School District PA With a focus on core standards social justice and evidence based programs and services this book is a must have for anyone interested in a comprehensive practical approach to school counseling strategies that promote student success Tamara Davis Professor Marymount University Arlington VA *Bringing the Common Core to Life in K-8 Classrooms* Eric Jensen, LeAnn Nickelsen, 2013-12-31 Actively engage students in their own learning Discover strategies to promote student mastery of the Common Core State Standards for English language arts across the curriculum Explore techniques to lead students in close reading activate their background knowledge to prepare them for learning and gain insight into habit formation You ll develop the know how to effectively structure teaching to empower all students

Classroom Cultures Michelle G. Knight-Manuel, Joanne E. Marciano, 2019 This practical resource will assist secondary educators in creating equitable schooling environments for racially diverse youth The authors identify key aspects of successful strategies and offer recommendations for tackling the many challenges of implementing effective school change Chapters include vignettes and questions to help readers reflect on their own experiences and perspectives

Equity-Based Career Development and Postsecondary Transitions Erik M. Hines, Laura Owen, 2022-03-01 Former First Lady Michelle Obama believes that every individual should have some type of postsecondary education or training beyond high school to achieve economic and personal success Reach Higher Initiative Better Make Room 2019 Educational attainment e g a high school diploma college degree or postsecondary training provides career opportunities for advancement into leadership positions and benefits such as health insurance and retirement Heckman 2000 Additionally an individual with a college degree can make over one million dollars more over a lifetime in salary than someone with a high school diploma Carnevale Cheah Hanson 2015 Acquiring a college degree can lead to employment opportunities and is considered an asset in the U S economy Washington 2010 However certain populations encounter barriers to attaining an education particularly a postsecondary education leading to a disparity in receiving the aforementioned benefits Some of these populations include African American students LGBTQ students and students with disabilities There is a dearth of information and research on providing guidance on implementation research and best practices in equity based career development college readiness and successful postsecondary transitions for minoritized at risk or vulnerable populations The editors of this volume invited authors with research and practice expertise around various student populations in preparing them for college and career readiness as well as postsecondary transitions This book is the first of its kind to discuss career development and postsecondary transitions from an access and equity perspective Further this text serves as a call to action to ensure the United States most vulnerable populations has an opportunity to successfully transition into multiple postsecondary options after high school *Developing, Delivering, and Sustaining School Counseling Practices Through a Culturally Affirming Lens* Brant-Rajahn, Sarah N., Gibson, Eva M., Cook Sandifer, Mariama, 2022-05-06 Systemic oppression

continues to disenfranchise students at the intersections of race ethnicity gender identity sexual orientation immigrant status religion ableism and economic status Because of this school counselors are called to function as advocates and change agents but often find themselves underprepared to address these oppressive systems in schools It is vital that school counselors are provided resources that enable them to increase their preparedness and allow them to address oppressive practices within schools as well as work with diverse populations using culturally affirming and antiracist practices Developing Delivering and Sustaining School Counseling Practices Through a Culturally Affirming Lens informs culturally affirming and antiracist professional practice and advocacy work by school counselors It serves as a learning tool that better prepares school counselors to address the needs of marginalized students and work as effective change agents to disrupt systemic oppression in school settings Covering topics such as professional identity racial trauma and social justice this book serves as a dynamic resource for school counselor educators school counselors in training school counselors directors supervisors district leaders and administration researchers and academicians as they implement antiracist social justice and culturally affirming practices in school settings and academia
