Jackson II, Sonja M. Brown Givens, 2006-01-13 Black Pioneers in Communication Research is the only book in the field of communication that through personal interviews systematically explores the lives careers and profound conceptual contributions of the men and women who have helped shape the contours of humanistic and social scientific inquiry within communication studies and beyond *Handbook of African Educational Theories and Practices* A. Bame Nsamenang, Thérèse Mungah Tchombé, 2012 *The Scottish school board directory and teachers' guide*, 1882 *Teachers as Researchers (Classic Edition)* Joe Kincheloe, 2012-01-30 Teachers as Researchers urges teachers as both producers and consumers of knowledge to engage in the debate about educational research by undertaking meaningful research themselves Teachers are being encouraged to carry out research in order to improve their effectiveness in the classroom but this book suggests that they also reflect on and challenge the reductionist and technicist methods that promote a top down system of education It argues that only by engaging in complex critical research will teachers rediscover their professional status empower their practice in the classroom and improve the quality of education for their pupils Now re released to introduce this classic guide for teachers the new edition of Teachers as Researchers now also includes an introductory chapter by Shirley R Steinberg that sets the book within the context of both the subject and the historical perspective In addition she also provides information on some key writing that extends the bibliography of this influential book thereby bringing the material fully up to date with current research Postgraduate students of education and experienced teachers will find much to inspire and encourage them in this definitive book **A Teacher's Manual Accompanying the Breasted-Huth Ancient History Maps** James Henry Breasted, Carl Frederick

Huth,1920 Research in Education ,1974 **Status and Identity in West Africa** David C. Conrad,Barbara E.

Frank,1995-05-22 the contributors to Status and Identity in West Africa have swept away the dust that has obscured the study of the societies of western Sudan and have made it possible to pursue the salutary work of decolonizing the history and sociology of these regions American Ethnologist This discussion is among the most significant contributions that African studies can make to the contemporary global dialogue on multicultural issues Choice It is must reading for anyone who works in African literature today Research in African Literatures an indispensable guide to understanding the producers of art in the Mande world including the art of the spoken word The writing and arguments are clear and jargon free it will provide a rich harvest of detailed original research African Arts This book is the most impressive effort to look at these groups in comparative perspective The essays fit together nicely to challenge notions that came out of colonial scholarship Journal of Interdisciplinary History the volume makes a significant contribution to the social history and ongoing processes of cultural pluralism in West Africa Journal of Religion in Africa The nyamakalaw blacksmiths potters leather workers bards and other artists and specialists among the Mande speaking peoples of West Africa play powerful roles in Mande society This book presents the first full portrait of one of Africa s most powerful and least understood social groups **The Oxford**

Handbook of the Sociology of Africa R. Sooryamoorthy,Nene Ernest Khalema,2023 The Oxford Handbook of the Sociology of Africa presents a comparative analysis of sociological thinking in Africa Focusing on examples from Africa this diverse collection presents to a broad readership an accessible comprehensive up to date and topical analysis of sociological thinking in Africa Sociological discourse about African societies has been challenging and difficult due to a lack of both comprehensive analyses and holistic sociological evidence that covers Africa from past to present This Handbook locates African sociological thinking in historical context and takes a critical look at its current manifestations across the continent
