Classical Cats The Rise And Fall Of The Sacred Cat:

Classical Cats : the Rise and Fall of the Sacred Cat Donald W. Engels,1999 **Parasites, Pussycats and Psychosis** E. Fuller Torrey,2021-11-29 This open access book analyzes the evidence linking *Toxoplasma gondii* to the increasing incidence of schizophrenia and bipolar disorder in the United States Initially establishing that infectious agents are regularly transmitted from animals to humans lead to human disease and that infectious agents can cause psychosis it then examines the protozoan parasite *Toxoplasma gondii* in detail Infecting 40 million Americans *Toxoplasma gondii* is known to cause congenital infections eye disease and encephalitis for individuals who are immunosuppressed It has also been shown to change the behavior of nonhuman mammals as well as to alter some personality traits in humans After discussing the clinical evidence linking *Toxoplasma gondii* to human psychosis the book elucidates the epidemiological evidence further supporting this linkage including the proportional increase in incidence of human psychosis as cats transitioned to domestication over 800 years Finally the book assesses the magnitude of the problem and suggests solutions **Parasites Pussycats and Psychosis The Unknown Dangers of Human Toxoplasmosis** provides a comprehensive review of the evidence linking human psychosis in the United States to infections of *Toxoplasma gondii* It will be of interest to infectious disease specialists general practitioners scientists historians and cat lovers **Rezension Von Engels, Donald W.: Classical Cats**

: the Rise and Fall of the Sacred Cat Liliane Bodson,1999 felis folklore *Classical Cats* Donald W. Engels,2018-10-03 This is the definitive book on classical cats The cat has played a significant role in history from the earliest times Well known is its role in the religion and art of ancient Egypt no less than its association with witchcraft in the Middle Ages But when did the cat become a domestic companion and worker as well There has been much debate about the position of the cat in ancient Greece and Rome Artistic representations are sometimes ambiguous and its role as a mouse catcher seems often to have been carried out by weasels Yet other evidence clearly suggests that the cat was as important to Greeks and Romans as it is to many modern people This book is the first comprehensive survey of the evidence for cats in Greece and Rome and of their functions and representations in art Donald Engels draws on authors from Aesop to Aristotle on vase painting inscriptions and the plastic arts and on a thorough knowledge of zoology of the cat He also sets the ancient evidence in the wider context of the Egyptian period that preceded it as well as the views of the Church fathers who ushered antiquity into the Middle Ages **The Athenian Woman** Sian Lewis,2013-09-05 Here Sian Lewis considers the full range of female existence in classical Greece childhood and old age unfree and foreign status and the ageless woman characteristic of Athenian red figure painting Ceramics are an unparalleled resource for women s lives in ancient Greece since they show a huge number of female types and activities Yet it can be difficult to interpret the meanings of these images especially when they seem to conflict with literary sources This much needed study shows that it is vital to see the vases as archaeology as well as art since context is the key to understanding which images can stand as evidence for the real lives of women and

which should be reassessed **Seafurrers** Philippa Sandall, 2018-04-03 A cat's eye view of maritime history Priceless historic photographs deep and wide ranging research a ball of spellbinding and hilarious sea yarns Richard J King author of *Ahab's Rolling Sea* A Natural History of Moby Dick We remember the bold seafarers of yore from Magellan to Shackleton for their extraordinary exploits new lands discovered storms weathered and battles won But somehow history has neglected the stalwart hardworking species who made it all possible yes the noble cat In *Seafurrers* able sea cat Bart sets the record straight at last Fear of water aside cats were indispensable at sea both as pest controllers and as beloved mascots Thirty eight tales recount the adventures of Trim who circumnavigated Australia Tom the sole feline survivor of the sinking of the USS Maine celebrity cat Simon a veteran of the Yangtze Incident and other furry heroes Filled with nautical trivia rare photographs and whimsical illustrations this deft genealogy of human feline friendship will stir your regard for the incomparable cat whether on the couch or in the crow's nest **The Eye Expanded** Frances B. Titchener, Richard F. Moorton Jr., 2023-12-22 Plato and Aristotle both believed that the arts were mimetic creations of the human mind that had the power to influence society In this they were representative of a widespread consensus in ancient culture Cultural and political impulses informed the fine arts and these in turn shaped and were often intended to shape the living world The contributors to this volume all of whom have been encouraged and inspired by the work of Peter Green document the interaction between life and the arts that has made art more lively and life more artful in sixteen essays with subjects ranging from antiquity to modern times With topics ranging from Antigone to D H Lawrence and Norman Douglas and from Bactrian coins to Livy's characterization of women the scope the zest and the scholarship of these essays will illuminate new avenues in our understanding of the relationship between classics and culture and in our appreciation of both the artistic products that have come down to us and the varieties of life from which they spring Plato and Aristotle both believed that the arts were mimetic creations of the human mind that had the power to influence society In this they were representative of a widespread consensus in ancient culture Cultural and political impulses informed the f *Mental Disorders in Ancient Philosophy* Marke Ahonen, 2014-01-16 This book offers a comprehensive study of the views of ancient philosophers on mental disorders Relying on the original Greek and Latin textual sources the author describes and analyses how the ancient philosophers explained mental illness and its symptoms including hallucinations delusions strange fears and inappropriate moods and how they accounted for the respective roles of body and mind in such disorders Also considered are ethical questions relating to mental illness approaches to treatment and the position of mentally ill people in societies of the times The volume opens with a historical overview that examines ancient medical accounts of mental illness from Hippocrates famous Sacred Disease to late antiquity medical authors Separate chapters interpret in detail the writings of Plato Aristotle Galen and the Stoics and a final chapter summarises the views of various strains of Scepticism the Epicurean school and the Middle and Neo Platonists Offering an important and useful contribution to the study of ancient philosophy psychology and

medicine This volume sheds new light on the history of mental illness and presents a new angle on ancient philosophical psychology Interactions between Animals and Humans in Graeco-Roman Antiquity Thorsten Fögen, Edmund V.

Thomas, 2017-08-21 The seventeen contributions to this volume written by leading experts show that animals and humans in Graeco Roman antiquity are interconnected on a variety of different levels and that their encounters and interactions often result from their belonging to the same structures networks and communities or at least from finding themselves together in a certain setting context or environment wittingly or unwittingly Papers explore the concrete categories of interaction between animals and humans that can be identified in what contexts they occur and what types of evidence can be productively used to examine the concept of interactions Articles in this volume take into account literary visual and other types of evidence A comprehensive research bibliography is also provided **The Oxford Dictionary of Late Antiquity**
